1970 **BRITISH**
MOTOCROSS
CHAMPIONSHIPS

OFFICIAL PROGRAMME

Magdalen

Foreword by J.P. Shaw
 Promotions Manager
 John Player & Sons
 Member of Imperial Tobacco Group Limited

"Player's No.6" have successfully sponsored the British Motocross Championships for the last two years and I am very pleased we are again to be associated with these events for 1970. It has always been our policy to be "where the action is" and we believe we are very much adding to this policy by associating ourselves with what can most certainly be regarded as one of the most thrilling spectacles in sport to-day.

The tremendous challenge offered by these championships is of great importance to the manufacturers of the machinery the competitors use, as the battering the bikes receive can be put to good use by their researches in produc-

ing even better machines in the future.

I am sure that you realise that a great many of the competitors you see performing so ably before you to-day, are already virtually household names, because of their many appearances on television during the winter season. It must be remembered that in this Player's event, the riders are fighting for the title of British Motocross Champion in their class.

A word for those who intend to ride home like the competitors — **please don't**. If you wish to show your skill, join a club affiliated to the A.C.U. and compete yourselves, but please, not on the open road.

MOTOCROSS

The "Player's No. 6" British Motocross Championships comprise two classes — up to 250 cc and up to 500 cc. Riders score points in each of the classes at five different events throughout the season. The champion in each class will be awarded not only prize money but a superb "Player's No.6" Trophy which he will win outright. This series of ten events, taking place on some of the toughest and most demanding courses in the country, will attract the cream of British Motocross competitors.

These Championships have been held for many years under different titles; a list of previous winners appears elsewhere in this programme.

Classes:

The "Player's No. 6" British Motocross Championships will be contested by riders in two classes:

- Class 1. Solo machines up to 250 cc.
- Class 2. Solo machines from 320 cc to 500 cc.

Points:

Every rider in the Qualifying Rounds will score points as follows:

1st	8	2nd	6	3rd	4
4th	3	5th	2	6th	1

Duration of races:

A signal will be exhibited when the race leader crosses the finishing line having completed thirty minutes, he and other riders are then given the "plus two laps" signal board.

GENERAL INFORMATION

The Committee of the Stroud Valley Motor Club wish to record their sincere thanks and appreciation to Mr. and Mrs. Wooldridge for their kind permission to run the Scramble on their land and for all their valuable help in the arrangements. Without their willing and sporting co-operation it would be impossible to stage the event and we can never sufficiently express our gratitude.

We feel sure that you will show your appreciation by using the Official entrances and exits only, by showing care and consideration not to cause any damage to walls, hedges, crops and mowing grass and by refraining from leaving any litter on the property.

THANK YOU

We hope you like the new course and that you enjoy the racing. If so, please come again next year when we hope once again to have another all Star Entry.
