## NUMBERS

Regulation size. One in front, plus one each side, following colours:

Sidecars - Black on Yellow

250 cc - White on Green

351-500 cc Black on Yellow

Over 500 cc Black on White

Make sure your numbers are readable - remember the lap scorers.

This competition is held under the National Sporting Code of the A.C.U., together with any approved Supplementary Regulations.

## RIDING IN THE PADDOCK

Once again attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding of any sort of machine in the Paddock.

All too frequently at meetings children are allowed to ride machines in the mistaken belief that because a race paddock is on private property and outside the jurisdiction of the Road Traffic Act, no insurance is necessary. It cannot be stressed too strongly that **liability for a substantial claim could rest with the owners of the vehicle and the driver.** (Or the parent in the case of a minor.)

The Union's insurers will quite legitimately repudiate any claim on them for damages arising out of the accident caused by an unauthorised driver.

## CARAVAN TOILETS

Please do not empty your chemical toilet in the general public's toilets during the meeting.

## Abandonment or Cancellation

The organisers reserve the right to postpone, cancel or abandon the meeting or any part thereof should circumstances warrant such action.

## Crossing the Course

Under no circumstances should you cross the Course whilst racing is in progress - at such points where it is permissible to cross the Course, a marshal will indicated when it is safe to do so.

## Course Length 1.2 miles

## Public Address

Dartford Sound Services

**WARNING: Motor Sport is dangerous and persons attending the meeting do so entirely at their own risk.**

It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of this meeting, including the owners of the land and the drivers and owners of the vehicles, are absolved from all liability arising out of accidents howsoever caused resulting in damage and/or personal injury to spectators or ticket holders.

## Copyright

All literary matters in the official programme, including the list of competitors and their racing numbers is copyright and any person making illegal use thereof will be prosecuted. It is also a condition of admission to any event held under an A.C.U. permit that no part of the meeting can be filmed or video recorded and/or video recorded and/or video transmitted in any way without the written consent of the promoters/organisers and/or A.C.U. except for the sole purpose of private enjoyment.

## ADDITIONAL NOTICES

The organisations, the A.C.U. and the Landowners, do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the Car Parks.

Spectators are warned of the danger presented by wandering animals and the Club insists on all dogs being leashed.

Land suitable for running scrambles is still in very short supply. Having found a good course the Sidcup & District M.C.C. want to keep it. It is with this in mind that we appeal to both spectators and competitors to have consideration for the local population by driving carefully and quietly in the narrow roads leading to the course. Please do not leave paper or litter behind, it all has to be cleared up by tired voluntary helpers after the meeting.

Dear Spectator,

Welcome back to Canada Height for the Final Round of the British Sidecar and Fourstroke Motocross Championship

"Rolling Thunder" so I am told is the nickname used for the Fourstrokes, lead by Perry Leask and hounded by Derek Roberts, Simon Wyse and Peter Rushton, the final conflict should be very exciting.

The chair scene moving very well, Chris Etheridge/Nick Brace with a healthy lead, but followed closely by the fast pace of Shaun Mallows/Jason Peters and Colin Philpot/Gary Burt and the Brooks Brothers, bitter battles to come.

Just to keep the action flowing, invited expert riders also do battle on this fast demanding circuit.

Hope you all enjoy yourselves and finally a big thank you to all workers/helpers who are the backbone of meetings like today.
