APPRECIATION

The grateful thanks of the club go to the Red Cross, Dartford, Kent County Council Constabulary, and to members and friends who have acted as Marshals and Officials, and to the Riders who have made this meeting possible.

WARNING: Motor Sport is dangerous and persons attending the meeting do so entirely at their own risk.

It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of this meeting, including the owners of the land and the drivers and owners of the vehicles, are absolved from all liability arising out of accidents howsoever caused resulting in damage and/or personal injury to spectators or ticket holders.

NUMBERS

Regulation size. One in front, plus one each side, following colours:

125 cc - White on Black
250 cc - White on Green
350 cc - White on Blue
351-500 cc - Black on Yellow
Over 500 cc - Black on White

Make sure your numbers are readable - remember the lap scorers.

This competition is held under the National Sporting Code of the A.C.U., together with any approved Supplementary Regulations.

RIDING IN THE PADDOCK

Once again attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding of any sort of machine in the Paddock.

All too frequently at meetings children are allowed to ride machines in the mistaken belief that because a race paddock is on private property and outside the jurisdiction of the Road Traffic Act, no insurance is necessary. It cannot be stressed too strongly that **liability for a substantial claim could rest with the owners of the vehicle and the driver.** (Or the parent in the case of a minor.)

The Union's insurers will quite legitimately repudiate any claim on them for damages arising out of the accident caused by an unauthorised driver.

CARAVAN TOILETS

Please do not empty your chemical toilet in the general public's toilets during the meeting.

Entrants whose names are not in the programme will not qualify for points or prize money and will be riding with 300+ numbers

Abandonment or Cancellation

The organisers reserve the right to postpone, cancel or abandon the meeting or any part thereof should circumstances warrant such action.

Crossing the Course

Under no circumstances should you cross the course whilst racing is in progress. At such points where it is permissible to cross the course, a marshal will indicate when it is safe to do so.

Copyright

All literary matters in the official programme, including the list of competitors and their racing numbers is copyright and any person making illegal use thereof will be prosecuted. It is also a condition of admission to any event held under an A.C.U. permit that no part of the meeting can be filmed or video recorded and/or video recorded and/or video transmitted in any way without the written consent of the promoters/organisers and/or A.C.U. except for the sole purpose of private enjoyment.

Our thanks today are extended to Chris Elderfield of Elderfield Motorcycles who has kindly sponsored part of the prize fund. His presence is always welcomed at all of our meetings and we warmly recommend his services to any of our riders. The front cover picture shows Chris in typical pose.

ADDITIONAL NOTICES

The organisers, the A.C.U. and the Landowners, do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the Car Parks.

Spectators are warned of the danger presented by wandering animals and the Club insists on all dogs being leashed.

Land suitable for running scrambles is still in very short supply. Having found a good course the Sidcup & District M.C.C. want to keep it. It is with this in mind that we appeal to both spectators and competitors to have consideration for the local population by driving carefully and quietly in the narrow roads leading to the course. Please do not leave paper or litter behind, it all has to be cleared up by tired voluntary helpers after the meeting.
