Secretary's Notes

WHAT finer way to open our season than with one of the "GREAT MEETINGS" as our annual safaris to OULTON PARK have become known. Jim Clarke, probably the greatest driver in the world today, said in his recent book, "Oulton Park is the greatest road racing circuit in Europe", and we are sure that all today's entrants, heartily endorse that view.

Since Rex Foster and his fellow directors, with the far sightedness that is responsible for remarks like Clark's, allowed KARTING at Oulton. We are pleased to report that other major tracks are falling into line, and this season we shall be on three more major tracks besides having a second meeting at OULTON on June 5th. The R.A.C. realising that our sport has outgrown its original concept, and our machines become full scale racing machines, have relaxed the original rules and now faster circuits are rapidly becoming the vogue.

Today's meeting differs from previous 'OULTONS' in that we now have three classes instead of two, and this should give the iron barrel boys a fairer chance of being in at the awards. The lap record held jointly by Hesketh and Lambert, should this afternoon be broken as we have the finest drivers in the country competing. Our Scottish friends who at our last meeting had a second Bannockburn, must today beware that the hated Sassenachs don't have a repeat Flodden Field, and we sincerely hope there will be no more prangs like "Jenks" and Gordon Robinson had, which robbed them of certain victory in November.

We extend a cordial invitation to all newcomers and welcome back our old friends to whom OULTON has become an institution. We also want to thank all the good people who regardless of personal discomfort act as marshals, etc., to enable us to have a good day's sport, and last, but not least Rex Foster and the Directors of Cheshire Car Circuits.

We know that without you there would be no OULTON PARK.

GOOD LUCK TO YOU ALL,

LESLEY HESKETH,

(Secretary B.F.K.C.).
