Pembrey Road Races — Saturday, 7th April

For the second rounds of the North Glos. Championship the club makes it's first visit to Pembrey raceway, the home of Welsh motorsport.

The N.G.M.C.C. is well known for running top class road race meetings in the South and West of England at Castle Combe plus airfield venues such as Colerne and Keevil and are delighted to be organising a meeting at Pembrey which has recently been taken over by the BARC.

There is an excellent line up of riders for this meeting which includes one of the clubs top competitors in Bridgwaters Russell Benney who will be in for a very busy weekend. He has no fewer than 3 machines which will give him up to 10 rides out of a programme of 20 races. Russell uses the immaculate Phase One Endurance RC30 Honda in the large capacity races while a brand new ZZ-R 600 Kawasaki gives him rides in those events and just to prove that he can ride a full range of machines a KR1-S 250 Kawasaki is on hand for 250cc and small production events. All his machines are backed by Riders of Bridgwater. Russell is one of the countries top Endurance racers along with team mate Steve Bateman so the possibility of 60 racing laps during the afternoon should not be too much of a daunting prospect, but it will be interesting to see how he copes with such a wide variety of machines. Russell races under number 84 and has to ability and the machinery to take the victors laurels in all his events ... not much fun for the opposition!

Moving on we take a look at the main contenders in each of the classes in more detail starting with the 250cc event which has an excellent line up. Fordingbridge in Hampshire is home of Steve Bateman who pilots a 1990 TZ 250 X Yamaha in Padgbury colours. On paper Steve is the man to beat but Bristols former European championship contender Tom Hutton and Thatchams Nigel Lambourne along with Aldbournes Royston Keen and Chippenhams Tim Salveston all TZ Yamaha mounted will be going all out for victory. Devizes Roy Kennedy uses Austrian Rotax power in his EMC, the motor will not be as quick as the newer TZs but Roy has been around the circuits for a few years now and has a wealth of experience and racecraft to draw from and is sure to be in touch when it counts.

The 600cc scene is dominated by the recent Japanese invasion of supersports road bikes headed by the FZR Yamaha as used by Bristol pairing of Jon Peerless and Paul Gardiner along with Bexleyheaths '89 season production champion Chris Bray. Brauntons Richard Wright who was 1987 overall club champion on a VF500 Honda makes a return, he stays with the Fowlers/Dennis Trollope Racing TX500 Yamaha which has a great power advantage over the other machines on the grid but can prove to be a bit of a handful. (Russell Benney pilots the ZZ-R600 in this one!)

The 750cc looks like a tough one to predict with Aldbournes Paul Willis on the well proven GSX 750R Suzuki which although very rapid gives away great chunks of power to the RC30 Hondas of Chrysalis Racings Dave Morris from Southampton and of course that man Russell Benney on the Phase One machine. Barnstables Alex Buckingham who has been granted an entry in the World Superbike round at Donnington over the Easter weekend blitzed the opposition and the records book during his rare North Glos. outings last year, he uses one of Yamahas OW01 750's backed by TVM in Devon in his bid for victory. Throw in Darrell Higgins on the TZ and Nick Caswell on his Suzuki and a great race is in prospect. .

250cc Production racing has rally taken off this year with many top open class riders switching to the little high revving 1 litre strokers. Machine wise this season will be a head on battle between Suzukis RGV and Kawasakis KR1-S with Yamahas faithful TZR now severely outpaced. Bognor Regis rider Dennis Oldam, Gloucesters Rich Evans and Plymouths Brett Sampson head the RGV challenge while proddy wizard Dave Ball uses KR1-S power. Bristols Dave truly excels on road going machines, in the last six years he has won the production title 3 times and has been runner-up twice. West Huntspills Neil Andrews has now ditched his TZ350 for a KR1 in his bid for championship glory ... oh yes Russell Benney is also out there on one of the 1990 Kawasakis and he is capable of beating the lot!

Sidecar racing is going through a resurgence at the moment. the 3-wheeler brigade is headed by Kingscleres Tim Rope and Dave Kavanagh on their new 1100 Suzuki powered Windle Worm. Larkhills Tony Chilcott and Paul Matthews and Barnstables pairing of Andrew Saunders and Steve Allen along with Bristols Adrian Williams and Dave Crawford on the F2 350 DTR Yamahas are all capable of challenging for victory.

All that is left is to say that a truly excellent Pembrey curtain raiser is in prospect.

Russell Gardner
