 CIRCUIT WIDTH: 96 FEET / 10.668 METRES

Want to Get Involved?

We are always very pleased to see spectators at our meetings. Many people like the opportunity of watching racing from a variety of locations around the circuit but have no desire to wave a flag, scrutineer a bike or get involved with the administration of a race meeting. However, if you would like to have a go at one of those jobs at a race meeting you will be made very welcome by the enthusiastic team which pulls together to run our events. What's more, you won't have to pay to get in.

If you would like more information then please feel free to give us ring. We will welcome you over to this side of the fence to see if you enjoy the different perspective. If you do we will be very pleased to see you again, if not then we will equally welcome you back as a spectator. Jo Marchant on 01732 838500 will be pleased to hear from you.

KRC Membership

Club membership is not just open to riders. Anyone can join. For spectators, and also marshals and officials who are required to be a member of an ACU affiliated club, the reduced fee of only £5 for the year represents good value and an excellent way of keeping up to date with developments throughout the season.

I apply for membership of KRC as a rider/marshal/official/spectator *Delete as necessary
