WELCOME

On behalf of B.A.R.C. and TWO FOUR SPORTS we The British Motor Cycle Racing Club would like to welcome spectators and riders alike to this our very first Race Meeting at The Welsh Motor Sports Centre this Weekend.

We have laid on what we hope will be a very interesting two days of racing, there will be a total of 40 races 6 of which will be Sidecar events the remainder being Solo races for the various classes, There will be rounds of The Champion of Pembrey for both Solo and Sidecar on both days. Also we have rounds 10 and 11 of our season long Club Championship, which today carry double points so you can be sure all the riders will be doing their utmost for a good result.

To date we have entries from the 2nd and 3rd placemen in the Solo Pembrey Championship, and 1st 3rd and 5th placemen in the Sidecar Division. What of course will be interesting will be to see how our leading club contenders fare against the local aces, as the majority of our club runners are new to the circuit although hopefully many of them will have taken advantage of yesterdays practice day to learn the circuit.

Perhaps the major interest in the sidecar classes will be whether Jeff Loveland who to my knowledge has not raced here before can put it across Runneys Alan Bale who of course has local circuit knowledge as well as many years of sidecar experience under his belt, whereas Jeff is only in his second season of racing and is already putting it across many of our established regulars, of course there are on vastly different machines, Alan on the 350, whilst Jeff has the 1100 Suzuki. Nice to see you back racing Alan long time no see, but may be in the Bar after Racing on Saturday for the Prize Presentation, where of course the spectators are more than welcome to come and meet friends both old and new, Sundays awards will be presented in the paddock office during the day so as to allow competitors to get away home, as most have a long way to go.

The solo Classes will be a little more difficult to predict as we are bringing a wealth of talent the long journey down the M4 and i feel sure they are not doing all the travel to be put in the shade. Names to look out for, well we could write a book but here are a few for the local spectators to watch out for, who i am sure are quite capable of putting one over the locals, apart from Gary Cotterrell who is leading our 600cc Singles Class all the top contenders in the other classes are here, so watch out for the likes of Neil Dove who obviously wants to do well as he is back here on August 10th and 11th to compete in the Port Talbot organised ACU Clubmans Championship in which he currently holds fourth place in the F 1 Class and is out to improve on that.

For those of you who have not seen our LC Yamaha boys doing battle you are in for a treat, just watch the antics of Peter Branton and Gary Stronge who have been locked in combat all season with Gary just holding the advantage at present, but the slightest slip will let Peter into the lead in the points.

In the 250/350 Dennis Trollope Series we have last years Champion of Brands Winner Mark Whiting who is making the long trip from Ashford, Mark was not going to contest this weekends meeting due to financial restrictions, but after a slip at our last Snetterton meeting he has found the pennies to be here, if Del Boy Spenceley has got his new machine sorted to his liking we should see a good scrap in this class between Mark and Del Boy. In the 250 Stan Stephens Proddy Class four of the top five are here today but may be they will be upset by the rare appearance of John Roach, whatever the outcome this should be amongst the closest finishes of the weekend.

In the big solo classes we of course have the ever spectacular Kevin (Wheelie) Healy who is being chased very hard by Brian Tucker who as you will see is only 1 point behind lets hope they both stay upright and then we should be treated to a battle Royal. In the tiddler class we have Martin Cox who has a 100% record in the rounds at which he has ridden, and i am sure Martin would like to add the Welsh Road Race Trophy to his impressive list of awards this year which includes non other the the Prestigious Mellano Trophy which he claimed at our Brands Hatch Grand Prix Circuit meeting in May this year.

One sidecar team i have forgotten to mention is husband and wife team Barry and Jane Fleury who have sold their last seasons four stoke outfit to Paul and Joy Rider, Barry and Jane were our 1990 Sidecar Championship Winners and are presently lying fifth in the Pembrey Sidecar Class. Hopefully all the competitors will put on a show you will remember and we look forward to hopefully returning here next season.

We would like to offer our thanks to Robert Fearnell of Two Four Sports, and Phil Davies the Circuit Manager and his Staff for their work behind the scenes, we must also thank the Marshalls from the Welsh Association who together with our own Marshalls ably led by their Chief Nigel Frederick will looking after track safety during the weekend, also we must not forget the First Aid personnel without whom no meeting would be able to run, last but by no means least no meeting would be complete without the spectators, on behalf of the Club i would like to thank you all, and look forward to returning in the future.

Yours in Sport.

Terry Mount.

YOUR COMMENTATOR TODAY

Your Commentator today is none other than the world famous STUART PERRY, famous for what we are not sure, Stuart started his bike commentating career at Brands having previously been connected with Karts, No not horse and carts but the little four wheeled things that buzz around our circuits at unbelievable speeds. What he does for a living we are not quite sure apart from the fact that he is frequently flying around in rather posh vehicles. Some say he works in the clothing trade as his pockets are stitched up, others refer to a glue factory as his fags have a habit of not leaving the packet?

During the weekend you may well hear reference to various members of the £1.00 Fine Club, this is a rather unique group of riders 11 in total who have to put £1.00 in the Kitty for any mistakes made during the day, our friend Stuart came upon this motley bunch of souls earlier this season at Snetterton whilst taking refreshment in the local boozier near the circuit, well one thing led to another and with Stuart threatening to expose all their failings to all and sundry they decided to counteract this by fitting him up, this they did literally with Doris who spent the day in the commentary tower with him, who is Doris you might ask, well you could say she is the only female member of the £1.00 Fine Club, actually she is a blow up doll who is the travelling companion of the Hickey brothers, since this unsavoury incident the Club and Stuart are always dreaming up ways to get even, what this weekend will bring I dread to think, may be something to do with sheep or leeks, whatever Stuart will cope I am sure and continue with his commentary, for those who have not heard Stuart before don't be alarmed when he gets over excited and emits more decibels than a race machine, it is merely that two riders are quite close. Should you wish Stuart to make any particular comments about yourself he is normally to be found in the BAR when there is no Circuit activity, a few words into his shell is all it takes, and his drink is a pint of bitter. Hopefully you will all enjoy our Stuart this weekend, if you don't then let him know, he won't bite.
