## The Datsun Commercials are here!

You get a lot more in them . . .  
. . . and a lot more out of them!

Get to know the ins and outs of the new Datsun 120Y Van and 1 ton Pick-Up! These tough, hard working load carriers have the established Datsun advantages of reliability, economy and value for money. And they have saloon car comfort and equipment!

### 120Y Van

The design and engineering of the 120Y has been proved in millions of small Datsuns the world over. It has an 1171 cc engine that's renowned for its reliability, economy, and capacity for hard work. The 120Y Van has a straightforward design that's easy to service and inexpensive to maintain.

There's a high-lift tailgate for easy access to a 5ft. long cargo bay with a low, flat floor. And with a payload of 7 cwt., the 120Y Van makes light work of carrying goods.

In the cab you get saloon car comfort with two bucket seats, through-flow ventilation, two-speed wipers and electric washers, hazard flashers, glove compartment and much more—all at no extra cost.

### 1 Ton Pick-Up

The multi-purpose pick-up is no stranger to hard work. It's already a winner in world markets from Toronto to Tehran. It has a powerful 1483 cc engine, 4 speed, all-synchromesh gearbox, large servo-assisted brakes, and a tough suspension designed to cope with rough tracks and heavy loads. The sturdy pick-up body is over 7ft. long and has a payload of no less than 20 cwt.

The spacious cab has a full width, comfortable bench seat, while the equipment includes two-speed wipers, electric washers, glove compartment, cigar lighter, twin headlamps, reversing lights, wing mirrors etc.

Come along to our showrooms today and get the economical Datsun's working for you!

When you look at the ins and outs of it, there's no better choice!

**1 Ton Pick-Up £1786.32**

**120Y Van £1488.24**

## NOTE TO ALL COMPETITORS

Pentwyn Auto Club is a very small club with very few helpers. We as a club, put on as many scrambles as possible, some in the winter. We give you as many rides as time will permit, we also give prize money for all events.

Now how about you giving something? A "little help" would be fine. When the last race is over all you have to do is lift a few stakes each and take them to a centre point, we will do the rest.

Thank you.

Your Competition Secretary,  
Barrie Edwards.
