This shuttle service WILL NOT run to any of the other areas being used in this trial.

The Waterlooville Motorcycle Club hopes that you find this service to be convenient, and we wish you an enjoyable days spectating at this World Trials Championship round.

WELCOME TO HAMPSHIRE

AND THE BRITISH ROUND OF THE
WORLD TRIALS CHAMPIONSHIP.

Elsewhere in England, Scotland and Wales, rocks of varied size and slipperiness are often the hazard which organisers set before the trials competitor. In Hampshire we have few rocks, but what we do have are chalk hills and a chalky subsoil which, especially if damp, can lead to many a dab or stop even by the most skilled of riders.

For a single club to take on the organisation of no less an event than the British Round of the World Trials Championship is quite unique, and the Waterlooville M.C.C. feels honoured in staging this prestigious International trial.

The club asks me to thank all the landowners and farmers for the use of their land, and all the numerous officials, Police and others who are helping at this trial.

Thank you to all the members of the local clubs, especially the Alton and District M.C.C., who will be manning most of the sections.

To all of you who have bought our programmes, or paid the £2 parking fee, thank you. Your contribution will help to pay for our free mini bus shuttle service and the many other heavy costs which the club will have to meet.

Finally, to all the riders, officials, marshals and spectators
- have a nice day!

WATERLOOVILLE MOTORCYCLE CLUB

Founded in 1928, the club's aim is to bring together those interested in motorcycling. Each year it organises numerous sporting events, catering for all levels of rider. The club is nationally known for its KEN HALL scramble, HOAD TROPHIES, and the WATERLOO CUP trials.

For those members owning road machines or cars it stages novelty events and occasional club runs. The social side is active with dances, discos, barbecues etc., to suit all ages.

Every Wednesday evening we meet in a room (complete with darts, bar and pool table) at the Waterlooville community centre. New members are always made welcome, whether bike owners or not.

For details of membership contact;

Mrs. B. Daffin, 10, Redwing Road, Clanfield, Hants.
Telephone: Horndean 592764

May I thank all of the riders for coming to England for the British Round of the 1988 World Trials series organised by the Waterlooville Motorcycle Club.

The support that I have been given by my own club members has been of the highest degree, along with that of so many other friends and officials within the sport.

The course will not be of a great severity but I trust that it will give a "good days sport" to you all in this attractive part of England.

Malcolm R. Wells
Clerk of the Course
