JAPANESE MOTO CROSS MANUFACTURERS ASSOCIATION
HONDA · KAWASAKI · SUZUKI · YAMAHA

The Japanese Moto Cross Manufacturers Association will in 1981 sponsor the British Moto Cross Championship, the National 250cc Moto Cross Championship and the National 125cc Moto Cross Championship.

Why should the worlds four leading motorcycle manufacturers join together to sponsor these championships when commercially they are in direct competition to each other?

The answer lies in the common desire to raise the general standards of British Moto Cross to a level more readily acceptable to the general public. In the short term, the JMXMA aim to improve both track facilities and racing standards with a view to attracting more spectators and thereby increase public awareness of Moto Cross as an enjoyable and exciting spectator sport.

In the long term the JMXMA hope that by raising both the level of facilities and public interest, major sponsors will be attracted to British Moto Cross and provide the high level of support and exposure that it truly deserves.

THE JMXMA WISH TO THANK THE AUTO CYCLE UNION AND THE ORGANISING CLUBS OF THE BRITISH CHAMPIONSHIP TITLE ROUNDS FOR THEIR CO-OPERATION AND TO TRIALS AND MOTO CROSS NEWS FOR THEIR SUBSTANTIAL PROMOTIONAL SUPPORT.

ANNOUNCEMENTS

It would be appreciated if all those attending today's Meeting would kindly read the following announcements, which are of direct interest and concern to them.

WARNING

MOTOR SPORT IS DANGEROUS AND PERSONS ATTENDING THE MEETING DO SO ENTIRELY AT THEIR OWN RISK.

"It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of the meeting, including the owners of the land and the drivers of the vehicles, are absolved from all liability arising out of accidents howsoever caused resulting in damage and/or personal injury to spectators or ticket holders."

POLICE NOTICE

Owing to the increasing number of thefts of and from motor vehicles at meetings similar to that which you are now attending, the Police strongly advise you to lock your car, or immobilise your motor cycle, and to remove all articles of value. If your vehicle is stolen you may be reimbursed for its loss, but you will get no compensation for the months of inconvenience suffered whilst awaiting the results of your claim. If you have left your vehicle insecure, spare a few minutes to immobilise it. It could save you hours in the weeks to come.

DOGS

Dogs must be kept on a leash at all times.

LITTER

Spectators and competitors are particularly requested not to leave any litter.

NOTICE TO RIDERS

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding in the paddock. Liability for any claim could rest with the owner of the machine being used (or the parents in the case of a 'Minor').

ACKNOWLEDGEMENTS

The West Wilts Motor Club wishes to thank JMXMA, Cherrysons and everyone who has contributed to the success of the meeting.

Why not join the WEST WILTS MOTOR CLUB and help to organise such events as today's MAYBUG meeting or the 1981 500 Grand Prix at Farleigh Castle on July 4th and 5th?

We also run Trials and there are many Social functions during the year. For further information contact: Asst. Secretary, Mrs. Liz Larnar, 2 Queens Gardens, Hilpert, Trowbridge. Tel: 65204.

MOBILE CATERERS BOURNEMOUTH

Welcome

to Pickwick Lodge Farm for the 1981 MAYBUG TROPHY MOTO-CROSS incorporating Round 2 of the JMXMA 250cc MOTO-CROSS CHAMPIONSHIP. This is the second year with re-arranged start area, a move the Club feels has improved the presentation of the circuit.

We have an impressive list of 26 of the top 35 plus many support championship drivers entered, and we can be assured of keen, fast, and exciting racing.

For the JMXMA 250cc Championship the manufacturers have put in their teams of Kevin Ruddock, Phillip Hanham (Honda), Jonathan Wright, Vic Allan, Kelvin Tatum (Kawasaki), Kevin Reed, Billy Aldridge, Jeremy Whatley (Suzuki), Pete Mathia, Roger Harvey (Yamaha). A possible late entry, subject to release from Grand Prix entry will be Geoff Mayes, the 1980 British MX Champion (Suzuki). Strong opposition from Dave Tomasik (KTM), Rob Hooper (Maico), Paul Hunt (Swing-Link) and Perry Leask (Husqvarna) will certainly put all on their mettle.

Jonathan Wright the 1980 250cc Champion, now Kawasaki mounted must be firm favourite to do well, but who can tell with the changes of machinery for 1981 – its anyone's guess who will get the top points.

Enjoy an exciting day of racing, thank you for supporting us and have a safe journey home.

Gordon Lloyd.

P.S. See you all at Farleigh, 4th-5th July for the 500cc Moto-Cross Grand Prix.

The JMXMA 'Man on the Spot' for this meeting at Pickwick is:-
Mr. ROBERT JACKSON, Mitsui/Yamaha

Points Table

[illegible]

Super-smooth, enormously powerful

So said Mark Price in 'T + MX News'. And he wasn't talking about Ronald Reagan.

Testing the new YZ 465 motocross bike in Belgium, he pronounced it "the smoothest open-classer around".

He said it pulled "like a train from way down low in the revrange, right through to maximum power output."

And he threw in lots of nice stuff about "raw horse-power" and the "enormous motor," producing "even more torque."

Mark was not alone. Writing in 'Motor Cycle News', AMCA expert Colin Hill called the YZ 465 "a brilliant advert

for Yamaha's production prowess."

He enthused about the bigger 43mm forks, the new rolling chassis and the revived rear shock that gives thirty adjustment points.

He raved about the brakes, too, calling the front twin leading shoe-stopper "probably the finest motocross brake I've encountered."

All told, Mark and Colin were knocked out by our new 465. And they rushed into print even before we had time to tell them about the free parts kit.

(It's worth £150, and includes spare piston rings, drive and rear sprockets, main jets, head gaskets and Monoshock suspension springs.)

Anyway, a sincere 'thank you' for the report, lads. It wouldn't have sounded half as convincing if we'd said it ourselves.
