Announcements

It would be appreciated if all those attending today's Meeting would kindly read the following announcements, which are of direct interest and concern to them.

WARNING
MOTOR SPORT IS DANGEROUS AND PERSONS ATTENDING THE MEETING DO SO ENTIRELY AT THEIR OWN RISK.
"It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of the meeting, including the owners of the land and the drivers of the vehicles, are absolved from all liability arising out of accidents howsoever caused resulting in damage and/or personal injury to spectators or ticket holders."

POLICE NOTICE
Owing to the increasing number of thefts of and from motor vehicles at meetings similar to that which you are now attending, the Police strongly advise you to lock your car, or immobilise your motor cycle, and to remove all articles of value. If your vehicle is stolen you may be reimbursed for its loss, but you will get no compensation for the months of inconvenience suffered whilst awaiting the results of your claim. If you have left your vehicle insecure, spare a few minutes to immobilise it. It could save you hours in the weeks to come.

DOGS
Dogs must be kept on a leash at all times.

LITTER
Spectators and competitors are particularly requested not to leave any litter.

NOTICE TO RIDERS
Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding in the paddock. Liability for any claim could rest with the owner of the machine being used (or the parents in the case of a 'Minor').

ACKNOWLEDGEMENTS
The West Wilts Motor Club wishes to thank Heron-Suzuki, Serval-Tonelli and everyone who has contributed to the success of the meeting.

LUCKY PROGRAMME
There will be a draw of programme numbers with two prizes, Portable Radio and Gents or Ladies Wrist Watch, to be presented at the PRESENTATION OF AWARDS ceremony.

HONDA WORLD 500cc MOTOCROSS CHAMPIONS.

Graham Noyce brought the title back to Britain for the first time in 14 years on a Honda RC500.

Honda offer a range of championship derived machines from the fiery CR80R schoolboy motocrosser, the middleweight CR125R to the famous CR250R Red Rocket, a motocross stalwart you can really rely on.

Ride a machine from the champion's stable. Ride Honda.

Visit the Club's Sales Tent here at the Maybug and get your Moto-Cross des Nations T-shirt, Sunvisor or Pen. All at reasonable prices.

A shock for school bullies.

If anyone's going to get pushed around in 1980 it won't be Yamaha.

Big brother of our family of competition motocross machinery the YZ465 – with its unique Monoshock – has been kicking dirt in its opponents' faces since its first-ever race. First place first time out.

Like the 465, the YZ125 is an all-new machine.

A lighter but stronger frame, lighter, more powerful engine giving it more punch, revised Monoshock with remote reservoir, and more suspension travel front and rear help you to fight dirtier than ever.

Remember, the bigger they come the harder they fall.

Backing up these boys are the YZ250, again all-new, the revised YZ100 and YZ80, and the YZ50 – the first 50cc motocrosser from Yamaha.

So, big or small, if you don't want to get picked on, pick a Yamaha.

YZ465

YZ250

YZ100/YZ80/YZ50

YAMAHA

You know you're gonna beat them on a Yamaha.

Round 4
British Moto-Cross Championship

Foreword by Alex Hodgkinson (Trials and Motocross News)

You can't keep a good man down for long and when that man is the champion of the world, even injury doesn't seem to keep him from the winner's rostrum.

After a devastating start to the season Graham Noyce, Britain's first world motocross champion for 14 years, suffered a double setback at Easter when mechanical problems caused him to loose his British championship lead on the Sunday and then on Bank Holiday Monday he dislocated his shoulder in Holland and was out of action for three weeks, missing the first two Grands Prix in the defence of his world crown.

His comeback ride was at the last round of the home championship, held in Essex, and most people expected Graham to settle for a few points to keep himself in touch with the championship leaders as he was still far from fit.

Graham is made of sterner stuff however and, despite a rare defeat at the hands of 17 year old Dave Thorpe in the first race, the champion emerged as the overall winner on the day to regain the championship lead. Today's track, here at Corsham, was the scene of Graham's first ever British championship win and a fully fit Graham must be as hot a favourite for success today as he was the underdog five years ago.

The challenge of the new young pretender, Dave Thorpe, cannot be discounted after his disappointment at failing to score in the last race, a fate which also befell the local hero Neil Hudson from Pensford. The latter will hopefully have resolved all of the contract problems which have surrounded him this year.

Last year's number three Geoff Mayes has quite a lot of ground to make up if he is to equal or better last year's placing while consistent rides from Welshman Andy Roberton have taken him closer to Geoff in the points table.

Competition for leaderboard placings has never been so fierce but amongst the favourites must be Pete Mathia, who should be mounted on a works Montesa today for the first time, and the Beamish Suzuki squad, who are today's sponsors.

Mathia looked set to win in Essex until he crashed and the Suzuki's of Dave Watson, Billy Aldridge and Jonathan Wright all made the top six; the return of team leader Steve Beamish after injury should further strengthen their challenge.

In the Serval-Tonelli sponsored qualifying championship Neil Hudson's younger brother Gary will be hoping his track knowledge and local support can help him to extend his lead again after a poor third round but any mistake or misfortune could see his lead whittled away by third round winner Don Brockbank, the best of last year's schoolboys Adrian Willmott or European amateur champion Gary Evans.

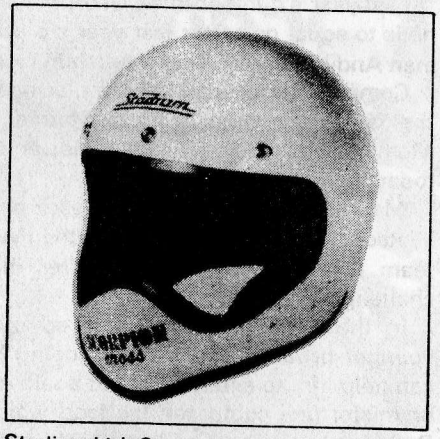
Stadium

NEIL HUDSON

PROJECT 9 & SCORPION

Manufacturers of helmets, mudguards, number plates, numbers and competition peaks, for Britain's top motocross riders – amongst the top contenders in the 1979 World Championship were Graham Noyce (World Champion 500 cc) and Neil Hudson (Runner-up 250 cc).

Stadium Helmets are standard equipment for the 'British Trophy Des Nations Team'.



Stadium Ltd., Queensway, Enfield, England.

BIKE ON AVON

AVON TYRES LIMITED, Bath Road, Melksham SN12 8AA

Graham winning the second race and the GRAND PRIX at Farleigh Castle 1979.

A TRIBUTE TO GRAHAM

Graham was ten years old when he had his first competitive ride in a Schoolboy Scramble with the Reading Schoolboys Club on a BSA Bantam and this machine stood him in good stead and helped develop his riding ability. The progress of this promising and able young rider developed all the time and he joined one of the largest of the Schoolboy Clubs — the Ringwood Club and there can be no doubt that his progress, skill and natural ability benefited from this move for it provided him with strong competition at the time he needed it and confirmation of this was apparent when he won the National Schoolboys Scramble Championship amongst some forty or more other trophies — all before he was 16 years old.

After his 16th birthday he put the schoolboy class behind him and moved up into the Junior A.C.U. event. But it was not all riding for Graham for he went to work for Don and Derek Rickham at New Milton during the week. Weekends, however, saw him riding in Junior Events throughout the Southern Centre with such determination and skill that he was up-graded to Expert status inside six months. He had by now graduated to a 250 Rickman Metisse sponsored by Harold Wakefield and it was on this machine that he began his Expert career.

A 250 has certain limits and this was appreciated and recognised by the Rickman brothers and they put a 460 Husqvarna engine into a Rickman frame for Graham to ride and this venture was fully justified in the light of Graham's successes through the rest of 1974.

1975 saw him accept support from the Bryan Goss Maico team and ride the big capacity machine in all the British Championship Rounds. It was on May 18th at the Maybug Trophy Meeting at this circuit that he won his first major award — the 500cc Maybug Trophy — against a field of top British riders.

Success followed success in that year and he went to the final round of the British Championship at West Stowe in Suffolk with every chance of winning and becoming the youngest ever British Champion but fate decreed otherwise, he won the first leg but crashed in the second breaking his left collarbone and had to be content with a third place behind Vic Eastwood and Vic Allan. It was in the same year that Graham began his 500cc World Championship challenge with a fine ride in the British round at Hawkestone Park followed by a ride in the West German in which he finished third overall.

1976 saw Graham finish a superb season with a 4th place in the 500cc World Championship table and winning the British Championship for the first time. Though he retained the British title in 1977 his final World Championship position was a disappointing 8th after a frustrating International season.

For 1978 he moved from Maico to Honda gaining his third successive British Championship and finishing 7th in the World Championship.

It was last year when everything seemed to click and after his memorable and emotional overall win in the British round at Farleigh Castle in July, he went on to become the first British rider to win the World 500cc Championship for 14 years, clinching the title at Namur in Belgium on Sunday August 15th. In spite of the immense pressures upon him that led to the tremendous achievement he won his 4th successive British Championship!!

Riding for Britain at the Motor Cross Des Nations in September he injured his left knee quite badly and recovery was slow but sure and he had to train and exercise exceptionally hard to enable the leg to regain its strength and to keep himself in the top physical condition the sport demands.

So on to 1980 and at the opening British Championship round at Hawkestone he notched two firsts, at the second round at Rocombe he got a first and then crashed in the second leg giving the Championship lead to Neil Hudson. But at Halstead at the third round he stormed back after injury to his right shoulder had kept him out of the saddle for a few weeks and regained top place in the Championship table. That period when he was unable to ride coincided with the first two rounds of the World Championship which of course was a setback in his defence of World title, but to everyone's pleasure he came back at the French round on May 4th with a fine ride to finish 3rd overall and gain 18 valuable Championship points. In Sweden on May 11th he collected 6 points for a 5th place in the first race, retiring in the second having been hit in the face by a stone.

Best wishes to Graham for the 1980 World and British Championships.

In Finland on Sunday, Graham finished 1st and 4th and was overall winner of the Finnish Grand Prix.

Phil Bailey, WWMC

Secretaries Please Note
The services of our Mobile Canteens are available at any distance at Trials & Scrambles gatherings where good catering at reasonable prices is desired. The Hon. Secretary of a club in the Southern Centre writes:

"would like to express our sincere thanks for the magnificent service and quality of your catering . . . everyone was full of praise and that is the sort of thing that does a club a whole lot of good".
