INFORMATION TO ALL COMPETITORS

Please get on line when called as we cannot delay the start owing to the length of the programme.

All competitors will be flagged off after the qualifiers in the heats.

Please paint your numbers clearly, otherwise we shall not be responsible for your lap scoring.

We strongly advise you to potter round steadily on your first practice lap as it will pay you to know the course. In all races competitors must keep **WITHIN THE FLAGS** owing to hidden pot-holes, and must not cut corners as we shall not be responsible for any damage done by objects hidden in the heather on inside of corners. You must regain the course where you leave it.

If your bike breaks down get it off the course, as the faster men will probably be in a hurry.

No rider will be allowed to ride any other machine than that shown on the entry form.

Allcomers' Event: Graded riders will have a slight start from Premiers.

You will take machines and helmets to Machine Examiners' Paddock, where you will also **sign on**.

All starts will be by raising the Union Jack.

Practising between 9.30 and 10.45.

SPECIAL NOTICE

Owing to the large entry and to enable us to complete the programme, competitors **must** complete their practising **before 10.45**, and during the course of the racing must at all times be available when called to the starting line. All starts will follow promptly on the completion of the previous race and competitors not on the line will forfeit their ride.

WARNING

MOTOR CYCLE SPORT IS DANGEROUS. You are present at this meeting entirely at your own risk, and your ticket of admission is issued subject to the condition that all persons having any connection with the owners of the machines and passengers in the machine, are absolved from promotion and/or organisation and/or conduct of the meeting, including the any liability in respect of personal injury (whether fatal or otherwise) to you or damage to your property, however caused.

Please take notice of prohibited and warning notices.
