Welcome to the Boxing Day Scramble. We would like to thank the Surrey Advertiser Group for their valuable support not only financially but also for the publicity given through the columns of their newspapers. We hope all the competitors have a good days sport, particularly those who have travelled from far afield; and we hope the public too enjoy (as we confidently expect) a day of close exciting racing.

Held under the General Competition Rules and Standing Regulations of the A.C.U.

We would also like to thank the very large number of people who have assisted in many different ways to make this event possible but whom it would be invidious to mention individually.

We wish you all a happy New Year.

Please paint your numbers clearly, otherwise we shall not be responsible for your lapscoreing.

Please get on the line when called as we will NOT delay the Start.

All Starts will follow on promptly after the completion of the previous race, competitors not on the line will forfeit their ride.

We strongly advise you to go around steadily on your first practice lap, it will pay you to know the course. If your bike breaks down get it off the Course.

No rider will be allowed to ride any other machine than that shown in the programme, unless the Secretary is notified at least 24 hours before the Official Starting Time of the Event.

You will take your machine and helmets to the Machine Examiners Paddock where you MUST sign on BEFORE PRACTISING.

You are present at this meeting entirely at your own risk, and your ticket of admission is issued subject to the conditions that all persons having any connection with the owners of the machines and passengers in the machine, are absolved from promotion and/or organisation and/or conduct of the meeting, including liability in respect of personal injury (whether fatal or otherwise) to you or damage to your property, however caused.
