WELCOME TO THE BOXING DAY SCRAMBLE.

We hope all the competitors have a good days' sport, particularly those who have travelled from far afield, and we hope the public too enjoy, as we confidently expect, a day of close exciting racing.

We would like to thank the very large number of people who have assisted in many different ways to make this event possible but whom it would be invidious to mention individually.

Witley Motorcycle Club would like to take this opportunity to wish everybody the very best for 1978, and a safe journey home after this meeting.

PETER FRASER

Takes this opportunity of wishing his many friends in Motorcycle Sport and the Trade, the Compliments of the Season and every success in the future.

THE 100% HONDA SPECIALISTS wish you all a HAPPY CHRISTMAS (including Peter - *Twinkle Toes* - Fraser and Non-Honda owners!), and a troublefree New Year. If it's not troublefree, time you had a new HONDA (preferably from us!).

WHETHER it's commuting, trials riding, schoolboy scrambling, grasstracking, road or drag racing, we have the bike - or engine - for the job.

See them at our new shop!

REMEMBER, we are the only firm who fit YOSHIMURA parts in new HONDAS. And return you the new parts removed for re-sale! And we build the bike exactly as you want it, then road test it for you. The cost of any extras can be included on our low-rate H.P. terms, repayments up to three years.
