BRITISH LEAGUE—DIVISION ONE

POOLE v LEICESTER

OFFICIAL PROGRAMME 5p.

Good Evening Everyone

It was an acute disappointment to have to abandon our meeting last week, particularly as the track had made such a fine recovery from the prolonged soaking of the morning rain – and it has left us with a very tight situation indeed as far as the completion of our fixtures is concerned. We shall need the luck of the weather in the remaining weeks.

We hope we have now resolved matters by rearranging the Hackney match as a “double-header” to follow our scheduled meeting against King’s Lynn on Wednesday next, which, if all goes well, will leave us our Grand Final and Fireworks on the 17th as intended, BUT WITH AN EARLIER START AT 7.30.

Good news for tonight, however, is the return of Toni Woryna, and we wish him a successful conclusion to his season with the Pirates. Not-so-good news comes from Sweden, where we now learn that Christer’s visit to the hospital, arranged for October 8th (when he had hoped to be passed fit for racing) has now been deferred until October 15th. It is, therefore, “touch and go” whether he will be available to join us for our last meeting. We are keeping in touch.

With our season at Poole now drawing to a close, many supporters, we know, will be keeping an eye on those tracks not too far away, where they might be able to take in a little more speedway to fill the gap until it all starts again next year. One meeting that will have special interest is the “big one” at Hackney on October 26th, where Skipper Pete Smith will be amongst the starters.

Tonight, however, we must turn our attention to the attempt to gather another couple of League points – and certainly the Leicester line-up promises to make this one of the hardest of tasks. We welcome the Lions, and look forward to a grand tussle. This match will be followed by a second-half sponsored by Mr. David Young, of Lower Barnsley, Wimborne. Mr. Young, whose gesture, he tells us, is in appreciation of the fine sport and entertainment provided by the boys on the track, has added very handsome extra prize money for the finalists. He has, however, modestly asked us not to disclose the amount, but we can assure you the lads will find it very well worth racing for.

Tomorrow the Pirates will be off to Sheffield to take issue with a team battling at the top of the League – and who are strong Championship contenders. Our Guest on this occasion will be Ray Wilson. On Monday the team travel to Cradley, with George Hunter filling the vacant berth.

Now for Leicester – with good luck wishes to both teams – and a fine night’s racing in this great sport.

Many fans following the Pirates tonight will remember Allan Kidd, famed in the 50’s – and who took over the captaincy of the team in 1960 in the new Stadium and in the newly-formed Provincial League. We have just received news that Allan, who emigrated to Canada some years ago, has “made the headlines” in Toronto, where he is about to build a boat in which he intends to sail the Atlantic with his family for a return visit to England. We do not know when this will take place – but when it does (if it is during the speedway season) we will certainly have him with us as a Guest of Honour.

Supporters’ Club Corner

Hello Supporters,

Time is running out fast on our speedway evenings for 1973, and although the Pirates have had to battle against the fates for almost the whole of the season, we have certainly enjoyed some fine racing.

Our own activities are by no means over yet, for we still have our Belle Vue trip for the British League Riders’ Championship on October 20th to look forward to. Admission tickets for this event are now nearly all sold. All the top price tickets are gone, and we can now only assist with Standing Tickets at 50p. We are likely to be asked to return any unsold tickets very shortly, so please, if you still haven’t made up your minds, remember that you have very little time left. Reservations for the Club excursion can still be accepted to swell the already good-size party.

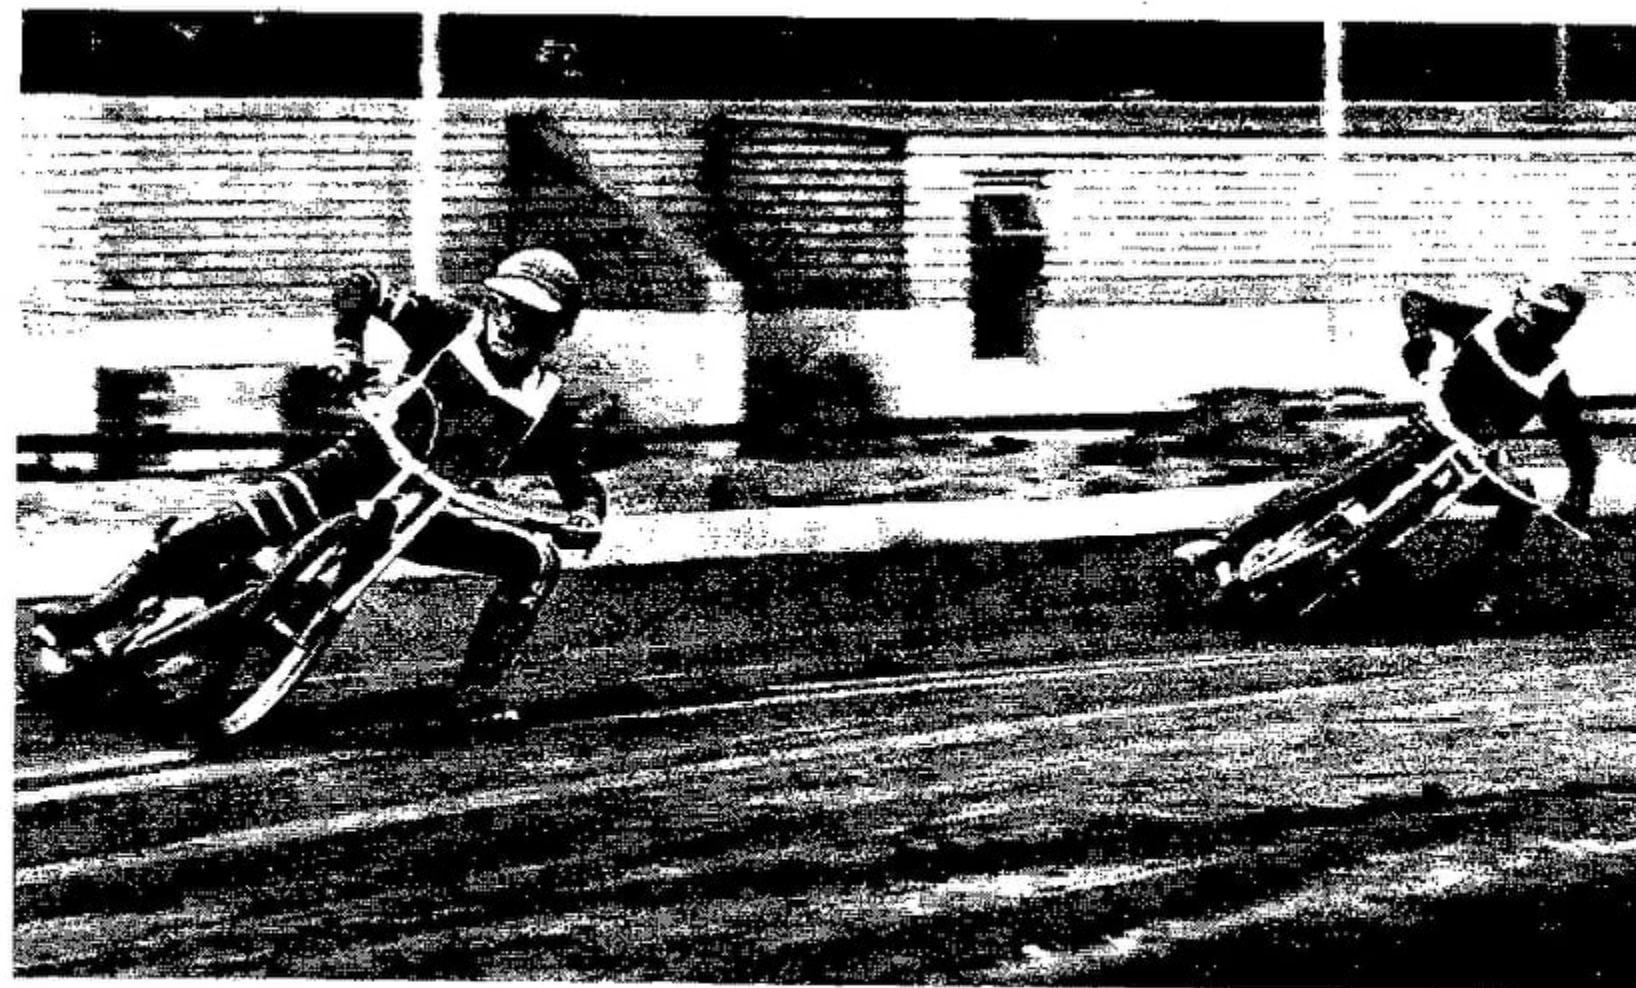

Our End-of-Season Dance is off to a great start, and this function has all the earmarks of becoming one of our most successful. Many people are taking advantage of the facility to obtain tickets through the post (stamped, addressed envelopes for return, please) and others are calling at the Speedway Office (9 a.m. – 4 p.m.). Full details are shown on page 7.

Once again we have been able to “shorten” the winter months with the help of our friends at the “Evening Echo” Social Club, where, as last year, we shall be holding regular monthly socials. We shall be able to announce the dates in this programme before our final meeting.

Cheerio,

FRED and OLIVE KELLOW.

PUZZLE PICTURE

Fast into the bend – and a perfect action picture showing just how it should be done. If you can name the riders you could win two free passes for the Grand Stand for our Final meeting and Fireworks Display on October 17th. We have blanked out the riders’ race-jackets just to make it a bit more difficult. The senders of the first two correct solutions received will each receive two Passes by return of post.
