WML Ladies International Cup Scheduled for October 1, 2000 at Perris Raceway
The Women's Motocross League announces the date and location of the 2000 WML Ladies International Cup. The Cup will be held at Perris Raceway in Perris, California in the United States on October 1, 2000.

The WML Ladies International Cup began in 1992 and has grown to become the largest women's motocross race in the world. The best women racers from all over the globe, including Sweden, New Zealand, Italy, Canada, England, Japan Australia and the United States, are expected to compete in 2000 for the largest prize purse and the most coveted championship in women's motocross!

The Cup is the only race to hold a women's pro 250 cc and pro 125 cc class. Several different divisions for amateur ranging from Pee Wee to Senior Amateur are also unique to the Cup. This year a cross-over race for women professionals in other sports (X Games Snowboard Champion, Tara Dakides, Mountain Bike Champion, Missy Giove) will be added to the program (along with other new classes).

The WML is supporting the Pro Clean Ladies British MX Invitational on August 19, 2000 as a warm up for the International Cup.

The WML International Cup will be preceded by the multi-day WML Boot Camp and will be the host of the 2000 WML Annual Awards Banquet.
