GRAND TROPHY GRASSTRACK  
ALL STAR ENTRY

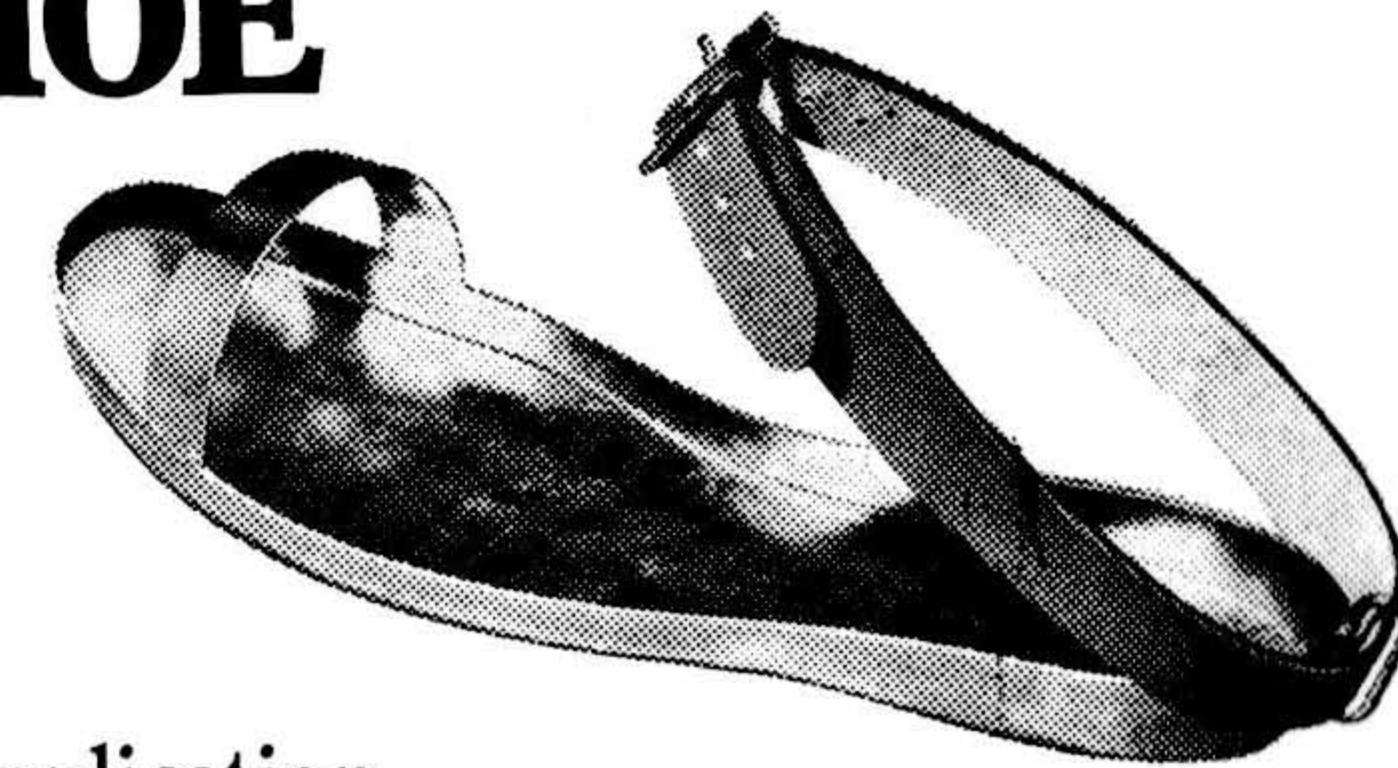

# For the Specialist Speedman!

Ashmans—always first with the newest exciting ideas in Speedway footgear. First it was the Short Track 7401 for the specialist speedman. And now we're introducing the Silver Shoe—a sturdy metal sole that protects the left foot when cornering and eliminates once and for all makeshift D-I-Y jobs.

## NEW SILVER SHOE

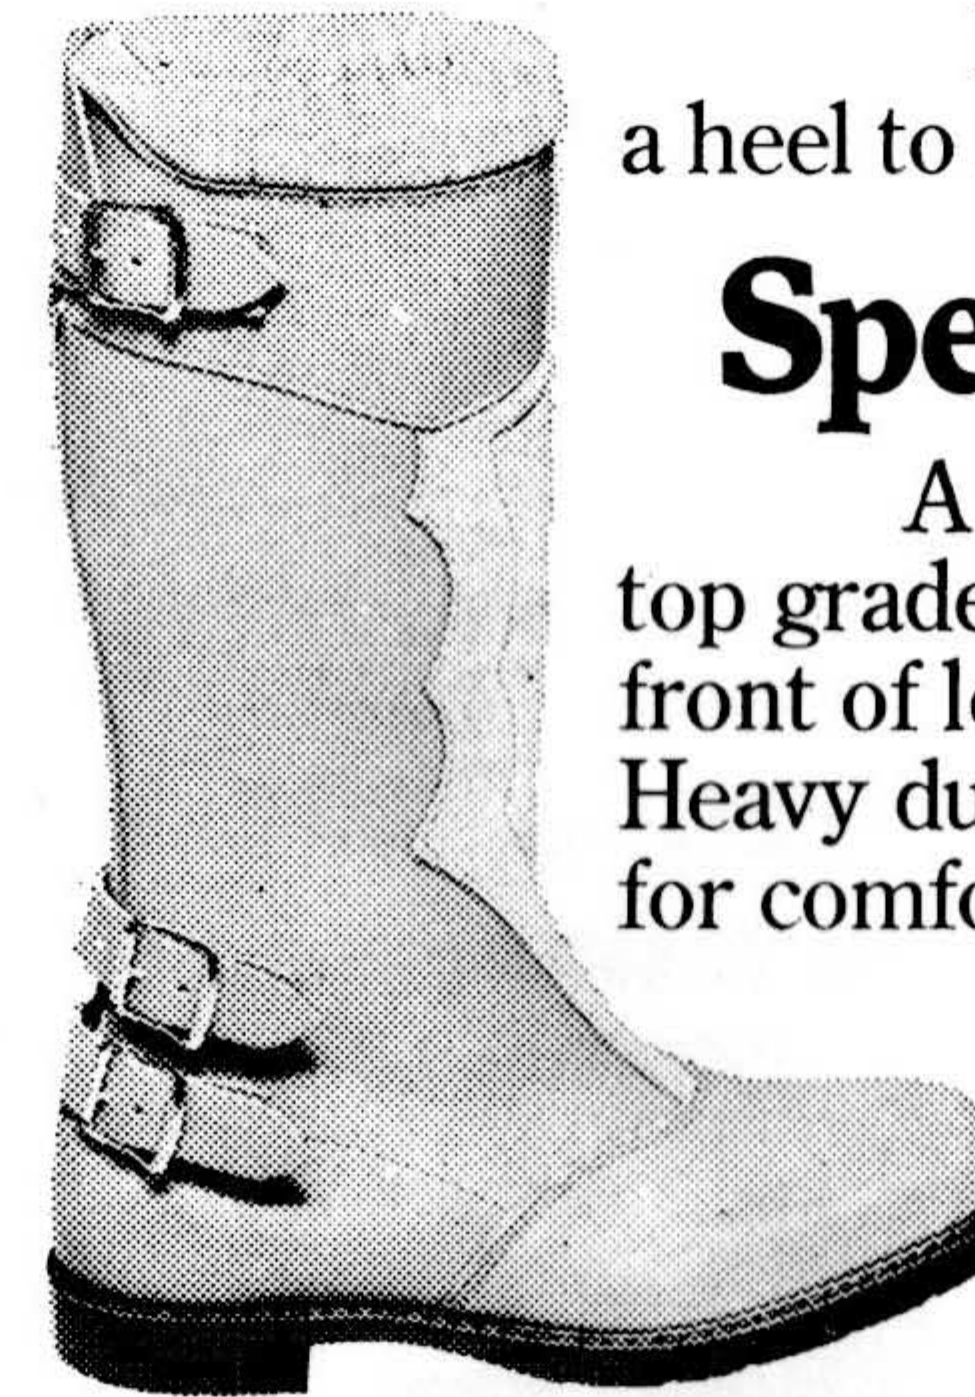

Use it for grass or track racing.

Designed and produced by Ashmans especially for use with their popular 7401 'Speedway/Grass Track' model boot. The 'shoe' is pressed from 18 gauge steel plate, and the sole surface is flame coated with a liberal application of 'Colmonoy' which wears and wears and wears.

The whole shoe is nickel plated and fitted with a 1" Red strap and buckle. The whole fits firmly and snugly to the boot and is available in all boot sizes—(U.K. 5-11 inclusive).

Note that the left boot (7401) is made without a heel to accommodate the 'Silver Shoe'.

## Speedway/Short Track 7401

A real must for speedway riders. Upper cut from top grade British tanned hide. Attractive pad pattern on front of leg. Twin straps at ankle and strap at top of leg. Heavy duty zip and sponge padded cuff at top of leg for comfort and dirt exclusion.

Lightweight sole directly vulcanised to the upper with 'Nitrile' compound which is resistant to petrol, oil and heat. Left boot supplied without heel. Terylene stitched throughout. Red with yellow trim. Leg height 15" (39cm). In sizes 5-11 (whole) inclusive. Steel K/S plate in right boot waist.

**ashmans** 

The World's most highly prized boots. Ashman Bros, Paulton, Bristol BS18 5NS.

Available from all good retailers and distributed to the trade through leading wholesalers including:
