CROESO WELCOME VALKOMMEN WELKOM

From Councillor A. A. Higginbottom (Chairman, Radnor District Council)

I am delighted to follow the example of my predecessor in welcoming once again everyone involved in the World Trials of 1979. The sport provides so much enjoyment for all who participate at all levels - riders - organisers - manufacturers and far from least those thousands who follow the Competitors. Added to which the many in Radnor District who derive benefit from the substantial "spin-off".

The Rhayader Club must justly be proud of their achievements in organising this world event and on behalf of Radnor District Council please receive our congratulations. May I wish everyone involved with the event success to all your wonderful endeavours, and may you enjoy the friendship of the people of Mid-Wales.

From Mr. Gerald D. Morgan (Patron Rhayader Motor Club)

It is a great honour for our town to have been chosen for the third time as the venue for this leading event in the British International motorcycle sporting calendar. I greet all competitors and spectators, particularly those from overseas. I hope you will feel you have been given a warm Welsh welcome and when the event is over you will be able to say truthfully that your journey to Mid Wales was well worthwhile.

From Councillor Cliff Walton (Mayor of Rhayader)

It is with great pleasure that I extend on behalf of the people of Rhayader a warm welcome to the World Motorcycle Trials Championships to the town again this year. The decision by the International Motorcycling Federation and the Auto-Cycle Union of Great Britain to ask the Rhayader Motor Club to yet again stage the event must surely be regarded as a world tribute to the Motor Club and a great compliment to its officers and members capabilities for organising a trial of such high standard. This is the third successive year that the Trials have been held in the Rhayader area and because of the hard work put into the organisation by the Motor Club, the Town, Radnor District, Mid Wales and indeed the whole of the Principality should be very proud of the world wide publicity received from such a notable fixture in the international motorcycle sporting calendar. Few may realise that last year because of world wide publicity, both before and after the event over £8,000 worth of free advertising was achieved for the Rhayader district through press, television and radio coverage. On behalf of the people of Rhayader, I extend a very warm welcome to all those who are taking part and hope their visit to Rhayader will be a happy one full of pleasant memories and to the Rhayader Motor Club I offer the congratulations and thanks of the town, for once again putting it on the "world sporting map".

Croeso i Rhaeadr . . . Welcome to Rhayader.
