Today Looks Like Being The Worst For Motocross

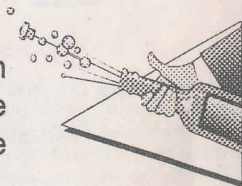

The AMCA Motocross programme for today has been practically wiped out with only 3 events still running out of the 12 scheduled, Events called off are Preston, Nottingham, Cannock, Clee Hill, Avon Sporting, Bridgend, Plymouth and Eastleigh. Not since 1969, when off-road sport came to a halt due to foot and mouth disease has off-road sport been hit so severely due to the drought conditions. The foot and mouth disease kept everyone off the farms for fear of spreading the disease. Nowadays, with the type of ground used for the sport being in need of watering, so much more than in the past, the shortage of water is the major factor.

Sidecar International - Off

The Andover clubs International Sidecar round due to run at Upavon on the chalky ground on September 10th has been cancelled. Earlier this season the club had to stop a meeting due to dust and last year the same venue was so wet the Sidecar International suffered due to the foreign sidecars refusing to ride as they had difficulty climbing the hills. After the early season delay due to the forks problem, it will be a well remembered season, several clubs are hoping to run events later in the year but in the meantime riders are warned with so few events likely to run that entries at these events will be restricted to local riders.

Congratulations

Congratulations to Donna Rawlins and Dean Vale-Onslow on their recent engagement. The staff and riders of the AMCA wish them the very best in the future.

If your group has an event planned then riders will need clearance from the group via the Co-ordinator. Entries close on 25th September and at least it's one event not likely to be affected by the weather, The event is not an Enduro event but more like a motocross on the Beach at Weymouth.
