## ADDITIONAL NOTICES

The organisations, the A.C.U. and the Landowners, do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the Car Parks.

Spectators are warned of the danger presented by wandering animals and the Club insists on all dogs being leashed.

Land suitable for running scrambles is still in very short supply. Having found a good course the Sidcup and District M.C.C. want to keep it. It is with this in mind that we appeal to both spectators and competitors to have consideration for the local population by driving carefully and quietly in the narrow roads leading to the course. Please do not leave paper or litter behind, it all has to be cleared up by tired voluntary helpers after the meeting.

This competition is held under the National Sporting Code of the A.C.U., the Standard Speed Regulations of the S.E. Centre A.C.U. and the Approved Supplementary Regulations.

## CROSSING THE COURSE

Under no circumstances should you cross the Course whilst racing is in progress - at such points where it is permissible to cross the Course, a marshal will indicate when it is safe to do so.

## RIDING IN THE PADDOCK

Once again attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding of any sort of machine in the Paddock.

All too frequently at meetings children are allowed to ride machines in the mistaken belief that because a race paddock is on private property and outside the jurisdiction of the Road Traffic Act, no insurance is necessary. It cannot be stressed too strongly that LIABILITY FOR A SUBSTANTIAL CLAIM COULD REST WITH THE OWNERS OF THE VEHICLE AND THE DRIVER. (Or the parent in the case of a minor.)

The Union's insurers will quite legitimately repudiate any claim on them for damages arising out of the accident caused by an unauthorised driver.

## CARAVAN TOILETS

Please do not empty your chemical toilet in the general public's toilets during the meeting.
