Southern Centre Gazette

It was with great sorrow that we learned of the death of our President of the Southern Centre A.C.U., Joe Caslake, M.B.E. He has filled the office of President so proudly since his election in 1951 and has earned the respect of all who came into contact with him. We of the Southern Centre have been very proud to have had such a man full of compassion and kindness as our President and our loss is great. Our loss cannot be compared with the loss experienced by Kay Caslake and our thoughts go to her at this time.

BOARD COMMENTARY

Snow, wind and sleet, still we trudged to the April Board Meeting, held at the Southampton Club Headquarters on Thursday, 3rd April.

Vice-President George Hodges and Chairman Roy Brett gave a funeral oratory on our late President, Joe Caslake—words cannot express our sorrow and sympathy to his widow, Kay, who has intimated that she will write personally to every one who has sent flowers and/or letter. Patience for a very DEAR GALLANT LADY. We all stood in silence for a few moments. The post of President will remain vacant in respect for Joe, until next year's Annual General Board Meeting.

The minutes of the March Board Meeting were approved and signed by Vice-President George Hodges.

Apologies were received from Vice-Chairman Jim Rendell and Harry Nash.

Matters arising brought forth Brian the Coombe announcing that the St. Paul Trophy will be a Scramble at Tidworth on the 29th June, 1975—Regulations in May Gazette.

Mr. N. Ley reported that the Poole Borough Surveyor had contacted him within two days of the March Board Meeting and had received the addresses of Motor-Cycle Club Secretaries within 30 miles of POOLE. It looks as though Poole "are with it" in NOT KICKING MOTOR-CYCLISTS OUT, but INVITING MOTOR-CYCLISTS who are organised.

The South-West Sports Council have forwarded their Annual Report and Motor Cycling is on the front cover, and we have nine pages given to our Sport, and the largest contribution. Congratulations to our delegates on your projection of our Sport.

We paid tribute to Bill Moore, who has been A.C.U. Examiner for ten years. He has put in a terrific effort training young motor-cyclists with RAC / ACU Training Scheme. He is a Southampton Motor Cycle Club member, an ex-"scramble-hatted" policeman. He made a passionate speech (in accepting his ten year medal and plaque) for courtesy on the road, with reference to LORD BRABAZON, and also to help the under 16 year olds.

TALKING POINT

By now most of you will have obtained your new Competition Licences from London, some quite happily and some, mainly those competing only a few times a year in Closed to Club events, will begrudge those extra couple of pounds.

Having assumed that to run at all the A.C.U. must have an income to replace the old 3% levy, which is now retained by the organising Club, the licencing scheme would seem to be a reasonable idea, but did you realise why they insisted on the inclusion of all C to C events under the new scheme.

Many of you will remember not so long ago when a C to C event was just that, perhaps a dozen or so riders all closely associated with the Club, sometimes helping to organise and observe and all enjoying an easy going days sport. In part, they still remain this way, at least in this Centre, but you do not have to look far to find 100+ entries at Trials and Speed Events masquerading as C to C events when perhaps they should be full Open to Centre status.

Why worry?—well for a start the A.C.U. could not afford to lose this revenue without substantially increasing all other Licence fees and secondly, and the real reason for this first "Talking Point"—is it fair to the riders for Clubs to increasingly run C to C events, sometimes with paying gates, so forcing riders to join an ever increasing list of Clubs to obtain rides and with that the multiplied fee adding to their already considerable expenses. In most cases you will never see them as "members"—how about keeping the C to C events for real members who work for the Club.

"Conclusion" Had C to C events remained as they were originally intended, as small Club affairs, there would now probably not be the need for a Licence for them. ONE LICENCE OR MULTIPLE CLUB MEMBERSHIP in your own Centre—it's your choice.
