Southern Centre Gazette

The Centre disclaims all responsibility for the views expressed by contributors to the Gazette.

PUBLISHED ON THE FIRST OF THE MONTH

WARNING TO ALL COMPETITORS

The Competitions Committee of the Southern Centre A.C.U., alarmed and disgusted by reports of bad feeling between drivers, of aggressive dangerous driving, that is unfortunately increasing, decided at its last meeting to issue this warning to all concerned; be they drivers, mechanics, helpers or just friends or supporters of drivers. In future all Stewards and Officials will be watching very closely. Any incident of this type will be dealt with very severely at the time. It will also be reported to the Competitions Committee for further action should this be deemed necessary. Drivers are reminded that THEY are responsible for the actions of their helpers and supporters, so should therefore ensure that none of these supporters get involved in disputes, which could result in action being taken against themselves.

The General Competition Rules and Standing Regulations of the A.C.U. have rules to deal with all incidents of this nature, and in future these will be very strictly observed.

It would be wonderful if the Sport of Motorcycling could be just that, SPORT.

Secretarys Please Note

The services of our Mobile Canteens are available at any distance, at gatherings where good catering at reasonable prices is desired.

The Hon. Secretary of a Club in the Southern Centre writes:

"... would like to express our sincere thanks for the magnificent service and quality of your catering . . . everyone was full of praise and that is the sort of thing that does a club a whole lot of good."

PRACTICE AT LOPCOMBE CORNER

Because of adverse press reports and serious complaints from local residents, riders are asked NOT to use land owned by Mr. Haynes at the above venue (for practicing again) in the interests of all motor-cycling in that area.

COMPETITION LICENCES

The A.C.U. propose on 1st January 1974 to introduce a system of licencing all riders in all branches of the sport down to and including Closed to Club events. As this will be discussed at the October 4th Board Meeting, your views should be made known to your club delegates in time for them to bring them to the Board.

KEN HEANES

Ringwood M.C. & L.C.C. present a talk by Ken Heanes at Ibsley Village Hall on Wednesday, 24th October at 8 p.m. Everyone welcome.

The licence fee for a combined Regional Restricted, Open to Centre and Closed to Club licence would be £1.10p.

INSURANCE ON M.O.D. LAND

In future no Permits will be issued by the Southern Centre where M.O.D. land is used unless and until the Club can produce a Certificate from C. T. BOWRING LTD. confirming that such cover has been arranged.

This policy is highlighted in a letter just received from our insurers, so clubs will be well advised to apply for this certificate of cover VERY EARLY on in their organisation of the event to avoid disappointment later.
