WARNING

MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen. Please remain in permitted areas only and comply with all instructions of marshals and notices.

THEY ARE CONCERNED WITH YOUR SAFETY.

WELCOME!

The second Sidcup LDT has arrived again, and we are hoping you'll enjoy your day out with us.

Months of planning by a band of volunteers has finally come to fruition, and we promise to give you an event comparable, if not better, than all previous Sidcup LDT's

Our route uses only roads, byways and a few Unclassified Roads. Some are easy to ride, some are very overgrown and without our wheels would end up like thick hedgerows and unusable by everyone!

Many of the 'proper' roads are very narrow and twisty. You must expect the unexpected round every bend – walkers, horses, a combine harvester may be taking up the entire road. The overall route length is about 90 miles, so there won't be much time to stop and admire the superb scenery and views of the Weald and North Downs.

Have a good and safe day – see you back at Canada Heights.

Alan Woods

Enduro Secretary, Sidcup & DMCC

FINAL INSTRUCTIONS

Arrive at the start with sufficient time for signing on, scrutineering and affixing your Road Book sheets.

Scrutineering will be from 8:00am. You will be asked to start your engine and any bikes with what we decide is an excessively noisy exhaust will not be allowed to start the event.

Sign on before you start when you will be given a riding number and a Road Book. This will be about ten A4 sheets and uses the 'box diagram' system showing junctions with Direction Posts (DP) and kilometres and miles from one junction to the next.

The riding number must be attached to the front of the bike on a flat, upright surface. And somewhere to the rear so that the observer can see it.

ROAD TRAFFIC ACT INSURANCE: This year, your entry fee includes the ACU arranged one-day cover, details available on request or at signing-on. You must all sign the 'Lockton' form at the signing-on desk.

TOILETS and LIGHT REFRESHMENTS will be available at the start/finish before, during and after the event.

PETROL ON THE ROUTE: The road book will indicate filling stations on the route and those just off the route.

All observers have mobile phones and can contact the start for you. The number for Canada Heights is **01322 614717**

TEAMS: To enter a team of 3 riders for the Team Award is free. More team entries will be accepted up to 9:00am on the day.

START TIMES: To keep the start area orderly, there will be a 5 point penalty on any riders who start more than 5 minutes later than their time in the programme.

FINISH

To be classified as a finisher, you must sign off at the end of the event.

TYRES

Any Road Legal tyres will be OK, except for the new "road legal Motocross tyres" which are not.

SPECIAL TEST

Ties will be decided by a Special Test. This is at Canada Heights, and clearly marked on the Roadbook.

SECTIONS

These will open and close at times shown on the Roadbook.

We will ensure the section markers are large and clear.

Inspection of sections on foot is not allowed. 10 marks if you do!

Marking will be as ACU Trials Standing Rule 22(b), which is:

Clean	0 marks
Footing once	1 mark
Footing twice	2 marks
Footing more than twice	3 marks
Failure	5 marks
Personal request not to attempt a Section	5 marks
Not attempting a Section when called upon to do so by an Official	10 marks
Missing a Section for any reason	10 marks

Section markers are **RED** on the **RIGHT**, **BLUE** on the **LEFT**. You must ride between these markers that define section boundaries.

REGISTRATION NUMBERS

Please ensure your Reg. Number is legal before the start and clean before leaving byways for more normal roads.

ROUTE MARKING

Orange enduro arrows with the Road Book box number will be put up at a few places to emphasise the route. Otherwise, it's down to you to follow the Road Book directions.

EXCLUSION

Any riders noted as riding dangerously or with excessive speed or noise will be immediately excluded. **Any such riders will not be accepted at any future Sidcup L.D. Trial or Enduro, and other clubs will be asked to reject their entries.**

Any rider who is accompanied by rider(s) who are not taking part in the event will be excluded.

Any breach of the ACU Sporting Code, MSA Rules, Supplementary Regulations or Final Instructions may result in exclusion.

Classes:

A – Up to 225cc;

B – 226 to 450cc;

C – 451cc and over;

D – British Bikes.

E – Team of 3
