### WARNING

#### MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen. Please remain in permitted areas only and comply with all instructions of marshals and notices.

THEY ARE CONCERNED WITH YOUR SAFETY.

### WELCOME!

The Sidcup Club took on running a second Long Distance Trial when the OWLS Club 'took a break' after two or three LDTs in Kent. We wanted to keep the South Eastern LDT Championship a series of three rounds. OWLS have not yet finished their break(!), so here we are with the sixth Sidcup LDT.

I was delighted to hear that the Eastbourne Club has decided to put on its first LDT, in the East Sussex area on the 5<sup>th</sup> August. Regulations and Entry form will probably be available from 1<sup>st</sup> July on the club's website, [www.edmcc.co.uk](http://www.edmcc.co.uk) and in the July issue of the Sporting Motorcyclist (TSM).

But before that, the thirteenth Timber Woods LDT will be on 15<sup>th</sup> July and starting from Chads Farm, Meopham, the same location as last year's Timber Woods. Regs and entry form will be in the June TSM and on our website from 1<sup>st</sup> June.

Back to this event, and the cafeteria at the Kent Gliding Club, the start of the Sidcup LDT, will be open from 8:00am and serves an excellent Full English Breakfast (from personal experience!).

Once on the trial, you will find that the Kent County Council has continued to spent taxpayers' money in making good surfaces of many byways. Drakes Lane, north of Harrietsham, used to be 2½ miles of hard slog through ruts, mud and cambers. Now it is easily 'doable' by roadbikes, at least in dry weather. Thanks, KCC, but it's time to rest from your labours!

As usual, I'll end with a request to ride sensibly in this LDT and on other trail rides in the Kent. We allow you to keep and use the Roadbook at other times – that way you will know you are riding on legal byways. Please apply for a FREE permit to use Lenham and Bredhurst gated byways. Go to [www.kent.gov.uk](http://www.kent.gov.uk), then search for 'Bredhurst and Lenham' to go to the application form. The more who apply, the more the Council will know that motorcyclists want to use these and other byways.

Have a good and safe ride, and see you back at the Gliding Club.

## FINAL INSTRUCTIONS

Arrive at the start with sufficient time for signing on, scrutineering and affixing your Road Book sheets.

**SCRUTINEERING** will be from 8:00am. You may be asked to start your engine and any bikes with what we decide is an excessively noisy exhaust will not be allowed to start the event.

Please do not have competition numbers on your bike – it gives the locals the impression that the trial is a race. You will be given a trials number card to stick on your front number plate.

**SIGN ON** before you start when you will be given a Road Book. This will be ten A4 sheets and uses the 'box diagram' system showing junctions with Direction Posts and kilometres and miles from one junction to the next.

**ROAD TRAFFIC ACT INSURANCE:** Included in the entry fee for the trial is £5 for Road Traffic Act insurance cover for the day of the trial. **All riders must sign the declaration form when signing on.**

**TOILETS and REFRESHMENTS** will be available in the Gliding Club building at the start/finish before, during and after the event. From 8:00am, an excellent Full English Breakfast is available for just £5.00.

**PETROL ON THE ROUTE:** The road book will indicate filling stations on the route and those just off the route.

**PROBLEMS ON THE ROUTE:** All observers have mobile phones and can contact the start for you. The mobile number to call is **07885 682647**.

**TEAMS:** To enter a team of 3 riders for the Team Award is free. More team entries will be accepted up to 9:00am on the day.

**START TIMES:** To keep the start area orderly, there will be a 5 point penalty on any riders who start more than 5 minutes later than their time in the programme.

**TYRES:** Any Road Legal tyres will be OK.

**FINISH:** To be classified as a finisher, you must sign off at the end of the event.

**SPECIAL TEST:** Ties will be decided by a Special Test. This will be somewhere on the course and clearly marked when you are there.

**REGISTRATION NUMBERS:** Please ensure your Reg. Number is readable before the start and clean before leaving byways for more normal roads.

**SECTIONS:** These will open and close at times shown on the Roadbook.

We will ensure the section markers are large and clear.

Inspection of sections on foot is not allowed. 10 marks if you do!

Marking will be as ACU Trials Standing Rule 22(b), which is:

Clean	0 marks
Footing once	1 mark
Footing twice	2 marks
Footing more than twice	3 marks
Failure	5 marks
Personal request not to attempt a Section	5 marks
Not attempting a Section when called upon to do so by an Official	10 marks
Missing a Section for any reason	10 marks

Section markers are **RED** on the **RIGHT**, **BLUE** on the **LEFT**. You must ride between these markers that define section boundaries.

**ROUTE MARKING:** Orange enduro arrows with the Road Book box number will be put up at a few places to emphasise the route. Otherwise, it's down to you to follow the Road Book directions.

**EXCLUSION:** Any riders noted as riding dangerously or with excessive speed or noise will be immediately excluded. *Any such riders will not be accepted at any future Sidcup L.D. Trial, Enduro or Cross Country, and other clubs will be asked to reject their entries.*

Any rider who is accompanied by rider(s) who are not taking part in the event will be excluded.

Any breach of the ACU Sporting Code, MSA Rules, Supplementary Regulations or Final Instructions may result in exclusion.
