2015 Freestyle SIDCUP SIXTY TRIAL

CANADA HEIGHTS, BUTTON STREET, SWANLEY, KENT
SUNDAY, 18th JANUARY 2015

Start time 9:30am

Permit No. 42791

OFFICIALS

Clerk of the Course: Mr Dave Burroughs
Secretary of Meeting: Mr Peter Burrell
40 Annandale Road, SIDCUP, Kent, DA15 8EL
Telephone 020 8300 5572 or 07885 682647 Email: pj.burrell@btinternet.com

Directions to Canada Heights: Postcode for SatNav **BR8 8DX**. From the M25 Junction 3, take the Brands Hatch signs onto the A20 (note: **not** the M20). Straight on at the 'Teardrop Centre' roundabout, then turn next **left** into Button Street, signposted **Swanley Village**. . **Please drive slowly down Button Street**, it is narrow and there are blind bends. Canada Heights is on the right side, nearly one mile from the A20.

FINAL INSTRUCTIONS

1. Signing on will be in the **BARN** at the back of the paddock.
2. **Start time for the first 2 riders is 09:30am. Bikes will be scrutineered as you come to the start. Rider number 1 will go to Section 1; number 2 to section 10. Subsequent pairs of two riders will go to those same sections.**
3. Two laps of 18 sections will be ridden – Experts use **WHITE** cards, Intermediates (Adult, Over 40, Youth) use **BLUE** cards, Novices (Adult, Over 50, Youth) use **RED** cards. Variations for Elite Experts will be shown with black crosses on white cards.
4. **MARKING WILL BE TSR22B – NON-STOP rules. It is your responsibility to read the 2014 ACU Handbook page 211 and 212 to understand the rules.**
5. **There is NO BREAK between laps one and two. ALL RIDERS WILL HAVE SIX HOURS TO FINISH THE TRIAL, so if you do have a break, don't be too long!**
6. Don't forget that you score **10 FOR A MISSED SECTION**. Don't miss any sections - awards have been lost by riders not realising they have by-passed one or two sections!
7. **SPECIAL NOTE** - if, for any reason, you decide not to tackle a section, **DO NOT JUST RIDE AWAY**. Tell the observer who will mark you down as a "5", which is better than the 10 you would get if you don't say anything!

Please Note: **NO MACHINES** are to be ridden before any riders start time. Engines may be warmed up, but **NO RIDING** except by the shortest route to the start area.

Refreshments and toilets will be available all day.

WARNING

MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen. Please remain in permitted areas only and comply with all instructions of marshals and notices.
THEY ARE CONCERNED WITH YOUR SAFETY.

Welcome to the 2015 Freestyle Sidcup Sixty

Welcome to the seventy-eighth running of the Sidcup Sixty Trial and many thanks to Freestyle of Mark Cross, East Sussex for once again sponsoring our biggest trial of the year.

We have been told the country's economy is on the way up and sales of new cars (and presumably bikes) are increasing. Yet for some reason, we have 27 fewer riders than last year in the 2015 Sidcup Sixty. However, 67 of the 110 (61%) entered via **ACU On-Line** against 47% in 2014, an indication that trials riders are following the lead of motocross and enduro riders, who almost exclusively enter South Eastern Centre meetings on-line.

Three previous winners of the magnificent Youngs Cup are back at Canada Heights for this year's Sixty. Five times winner **Gavin Cooper** won the Expert class last year and could do so again in 2015, but the Youngs Cup is for the winner of the Elite Expert class. The first of **Ashley Newbery's** ten wins was back in 1990; the most recent just two years ago. **Sam Connor** is the current holder and will wish to become equal to Gavin's five wins by being top Elite this year.

One encouraging sign is the increase from four to ten youth riders this year. Still none in the Youth Elite class, but that can only be a matter of time!

From this year we will be missing two well known trials characters. Sidcup's Dick Dickenson, our Trials Secretary for many years, died last October, and equally well-known was Erith's Mr Gordon Davis, who died on New Year's Day 2015. Both gents were well into their eighties, but until recently active in our sport. A notice about Gordon's funeral is elsewhere in this programme.

Finally, may I encourage today's riders not to spend too much time inspecting section or chit-chatting with your friends and/or rivals. Daylight hours are short at this time of the year and if is an overcast day, we may have to close sections if there is insufficient light to ride and observe safely!

Have a good day at Canada Heights.

The funeral of **Mr Gordon Davis** will be next Thursday, 22nd January at 10:15am at Eltham Crematorium, Crown Woods Way, SE9 2AZ.

Everyone is welcome to attend and I'm sure that many will! Gordon's family have requested no flowers, but donations instead to Diabetes UK, for which Gordon raised donations by various means. One for which he would enjoy relating was a ride on his 1955 B.S.A. from Lands End to John o'Groats, where he even persuaded diners in transport cafes to part with some loose change!

Donations can be made on the day of the funeral, or a cheque (made out to Diabetes UK) posted to the undertakers, W. Uden & Sons. 6 Townley Road, Bexleyheath, DA6 7HL. Please mention the donation is in Gordon's memory and the date of the funeral.

Below is the now customary totals table of machinery used in the Sidcup Sixty over 25 years.
