NOTICES

MOTOR RACING IS DANGEROUS

You are present at this Meeting entirely at your own risk and it is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of the Meeting, including the owners of the land and the drivers and owners of the vehicles and passengers in the vehicles, are absolved from all liability in respect of personal injury (whether fatal or otherwise) to you or damage to your property howsoever caused.

PROGRAMME COPYRIGHT

All literary matter in this Programme, including the list of competitors and their racing numbers, is copyright, and any person found making illegal use thereof will be prosecuted.

Although every endeavour is made to avoid inaccuracies in the descriptions of competing cars, the Club accepts no responsibility for any that may occur.

The Club reserves the right to postpone, abandon, or cancel the Meeting or any part thereof.

DOGS

It is a condition of admission to the Circuit and Car Parks that no dogs are allowed. Any person found to be in breach of this condition will be deemed a trespasser and will be required to leave.

GRANDSTAND SEATS

Any unsold seats will be available from the Grandstand Ticket Offices behind the Pits Grandstand — for Pits and Woodcote Stand which cost £3.00 and at Stowe Corner — for the South Stand which cost £3.00. From the South Stand you can get an excellent view of over half the circuit.

PADDOCK TRANSFERS

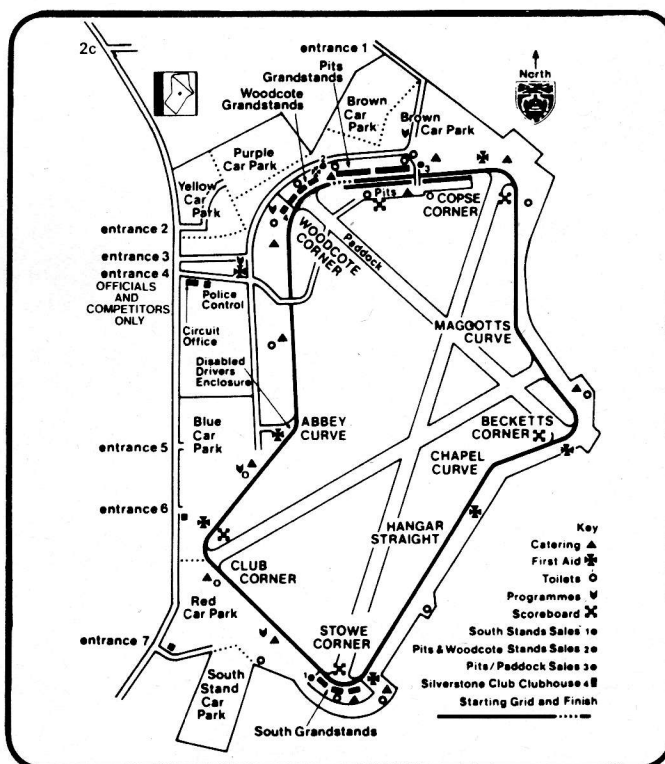

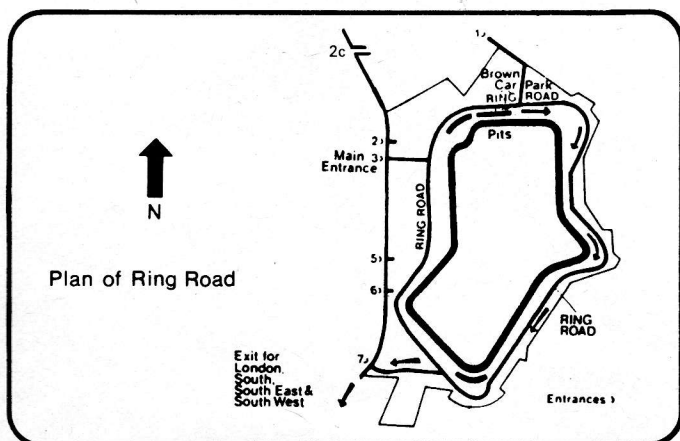

Paddock transfers, costing £2.00, are on sale at the Paddock Ticket Office by the pedestrian bridge at the end of the Pits Grandstand. These tickets admit to the Paddock and Paddock Enclosures where you get a "behind the scenes" view of the day's racing.

Traffic Arrangements

THE RING ROAD

The main object is to alleviate the congestion at the northern end of the circuit in Brown, Yellow and Purple car parks, by encouraging traffic in this area wishing to travel towards London, the South, South-East and South-West to leave by Gate No.7.

The road will be one way in a clockwise direction. There may however, be selected parts which are two way.

THE MAIN ENTRANCE

The second important feature for outgoing traffic is the diversions for traffic leaving from the Main Entrance. It may entail travelling an extra few miles on your route home, but both we and the Police authorities believe it works effectively. The diversions will be signposted and we request that you follow them. Please do not stop to argue with the Police Officers on duty as this only causes further delays. Traffic may now turn left out of the main entrance from the left hand lanes.

Both the diversions and the ring road will be policed and marshalled, and we ask for your co-operation to make the arrangements work.

With such a vast number of cars delays are inevitable, but with your co-operation it can be made far easier and less frustrating for everybody.

Trust your bike.

You choose a bike because you've got confidence in it.

You should choose the finance for exactly the same reason.

And that's why a loan from Forward Trust has so much going for it.

Providing you're creditworthy, we could lend you just the amount you're looking for.

Being part of the Midland Bank Group, you'll know our terms will be very competitive.

And, as co-sponsors of the Formula One and Sidecar Championships, you'll find we are very understanding when it comes to bikes.

Talk to your dealer or, in case of difficulty, simply post the coupon and we'll send you full details and an application form.

IF YOUR OFFICE COPIER ALWAYS NEEDS FIXING...

...use some scissors.

Cut out and post this coupon. In return you'll receive information about Nashua copiers to suit every office and why they are the world's best sellers.

You'll learn that Nashua copiers save time, space and money. They are compact, mobile, relatively cheap to buy and amazingly cheap to run. Modern technology means you get sharper reproduction and cleaner copies.

Up to thirty a minute, day after day.

For a Nashua copier is so reliable that once it's installed you can forget it.

Engineers call on a regular basis from 55 service centres throughout the U.K. Before not after you need them.

You wouldn't put up with an adding

machine instead of your electronic calculator so why put up with a noisy old fashioned copier that eats up time and money. When it's working, that is. How about replacing it with a Nashua copier? We can promise a big improvement in staff morale.

Post to Sylvia de Peyrecave, Nashua Customer Services,
Cory House, Bracknell, Berks RG12 1ET Bracknell (0344) 54391.
Please send me full details of the new generation of Nashua copiers.
