Final Instructions

The paddock will be at the top of the hill, with signing on in the Barn.

The trial will consist of **THREE** laps of **13** sections per lap. **ODD numbered riders will start from section 1; EVEN numbered riders will start from Section 7.** One odd and one even rider will start each minute.

Sections will be clearly numbered - please make sure you visit each one on all three laps. Because of the "compact" nature of Canada Heights, awards have been missed by bypassing a section by mistake.
