SUPER HERO

Adam Chatfield (14)

Adam wasn't here last time, but he must have heard about the goings on. He is a class rider and has done training days at the circuit, so he knows most of the jumps. He will be hoping to rule the roost when the gate drops.

LOCAL STAR

Chad Yarranton (7)

Chad took victory last time with three maximum scores. We heard that his dad Buster confiscated his prize money to pay for all the beefburgers that he bought for his mates! Will Chad retain his crown tonight? It should be a hotly contested race between himself and Adam Chatfield.

ONE TO WATCH **Craig Davies (4)**

Craig finished second to Chad last time, so expect him to be there or thereabouts tonight. Anything can happen in a racing situation and there is always someone to take advantage if a mistake is made.

SUPER HERO

Lewis Gregory (10)

Lewis knows this circuit like the back of his hand, and was soon here practising when he heard that it had been altered. Although he was here last time, he couldn't ride because he had to leave to go to Slovenia. Unfortunately, due to some dodgy officials he missed out badly on what should have been a successful trip. He's back tonight though and we are all in for a treat. Look out for his distinctive style that will surely get him a podium finish.

LOCAL STAR

John May (1)

Last year's winner of the Kawasaki challenge, John is leading the current BSMA championship, and finished second overall at the recent BYMX national at Maisemore. John won at the meeting here a fortnight ago, and it should be a really good scrap between himself and Lewis tonight.

ONE TO WATCH

Daile Traylor (13)

Daile has probably been showing all his mates the picture of himself in the Evening News after the last meeting, when he finished second to John May. He was here again the next day practising, so he obviously isn't satisfied with second place!!

SUPER HERO

Danny Iles (3)

Danny did the business last time in great style with a third and two wins, and no wonder! He had just returned from the USA where he had been practising with none other than Jeremy McGrath the Super Supercross Superstar. He went with Matt Bates' Planit promotions for 16 days.

Last year Danny came second in the Exeter Supercross at the West Point Arena.

Look out for more of the same tonight.

LOCAL STAR

Darren Lusted (16)

Darren finished third last time and will be looking to improve on that tonight if he can. Darren is supported by **Dave Watson** of **Race Spec** who is the main sponsor for tonight's meeting.

ONE TO WATCH

Jon Francis (12)

Jon is here with big brother Nick who is riding in the Adult class tonight. Both enjoy riding the circuit, and are regulars at practice days. He could pull something out of the bag!

RIDER PROFILE

SUPER HEROES Ben Saunders (20)

*Sorry photo didn't
fax too good. We
can assure you Ben
looks like a star as
well as rides like one!
We will get a photo
for next time.*

Ben is 18 years old and is sponsored by **ARD Racing** and **WIND UK** this year. Gordon Jones at **WIND** has been a long term supporter supplying all Ben's riding gear for the last 4 yrs. **ARD Racing** first sponsored Ben in 1998 and are giving him top technical support and spares backup this year. In his first year as an adult he is contesting the "**Under 21 British Championship**" and is currently running in 9th place. He is also doing the qualifying series for next years **British Championship**.

Gary Davies (17)

Gary is an AMCA Championship rider and is currently leading the British 125 championship. He is also contesting the 125cc European AMCA championship and is lying 3rd. With credentials like that we should all be treated to a fine display of riding tonight, so keep your eyes peeled!

LOCAL STAR

Owen Delaney (11)

Owen finished second on the Eurolift Suzuki last time, and soon got his entry in for tonight.....he must have enjoyed himself! Parent and team manager Dud was seen in close conversation with the Clerk of Course on 17th May. (Must have been flogging him a forklift truck!)

ONE TO WATCH

Martin Robbins (7)

Martin lives locally and is Captain of Sixways Supercross Club. He has put in a lot of hard work together with the rest of the team to get the circuit up to its present standard. He pestered the owners to organise race meetings here again, so in some ways it's thanks to Martin that you are here tonight! He rode a YZ400 Yamaha last year in the Thumpercross series but has returned to the 125cc fold this year after suffering several injuries including a broken right leg from which he has now recovered. That's his mum (and sponsor) Judy lap scoring.

RIDER PROFILE

SUPER HERO

Josh Waterman (20)

Speak to Josh about the last race meeting and he'll tell you he was robbed! He won the second & third races convincingly and he is out to prove a point tonight.

Josh is 8 years old, and started racing 2 years ago on a 50cc automatic. After 1 year he moved up to a geared 60cc. He loves going fast and jumping, but most of all he likes to win!! Josh is supported by **Winterstoke Tyres, Motoproxx Racing, Brights Auto Centres, Cutting Edge Signs, South West Trailers and Neil Hudson sets up the suspension.**

Josh's achievements at moto x have given him confidence at school. Josh is profoundly deaf, but it doesn't seem to be stopping him at all in life.

LOCAL STAR

Joshua Williams (20)

Joshua came saw and conquered last time with a first and two second places. He's back again and means business! With exams over Joshua has got a bit more competition tonight, so it should be fierce racing.

ONE TO WATCH **Sam Miller (2)**

Sam should have been at the meeting on 17th May, but he was so keen to do well that he came practising.....and broke his collar bone! He's back now though, and mad for it so keep your eye on him..
