SUPER HERO

Chad Yarranton (7)

Chad took victory first time with three maximum scores. He'll have some fierce competition tonight, but Chad is well up to the challenge especially with a few encouraging words from his Dad Buster in the form of a big boot!

LOCAL STAR

Craig Davies (4)

Craig is fairly local from Gloucestershire, he rides with the Severn Valley Club. First time out Craig was second in each race to Chads first. Last month he earned the crown coming first overall. With the competition tonight it will be a clash of the Titans

ONE TO WATCH

William Ford (20)

William has just moved up to the 85cc class and is going well on the Chambers Whittle Yam. He knows the track, and should be up at the sharp end of the action.

SUPER HERO

Lewis Gregory (20)

Lewis knows this circuit like the back of his hand, and was soon here practising when he heard that it had been altered. He is winning all over the place at the moment including here last month, and will be racing in Europe at selected meetings this year. Look out for his distinctive style that will surely get him another podium finish.

LOCAL STAR

John May (1)

Last year's winner of the Kawasaki challenge, John is leading the current BSMA championship, and finished second overall at the recent BYMX national at Maisemore. John won at the first meeting here, and came second a month ago, so it should be a really good scrap between himself and Lewis tonight.

ONE TO WATCH

Daile Traylor (13)

Daile has probably been showing all his mates the picture of himself in the Evening News after the first meeting. He's had two good results at both meetings here and has been back practising ready to take on Lewis and John. His Dad is on the start gate tonight.

RIDER PROFILE

SUPER HERO Gary Davies (1)

Gary can't put a foot wrong at the moment. Everywhere you read about him winning. The prospect of marriage must suit him. He rode a stormer here last month to win convincingly, so he's back to prove it wasn't a fluke.

LOCAL STAR Ben Saunders (20)

You will remember Ben as the rider who had the epic battle with Rob Andrews in the first race on 17th May. He had a good result last month and so is back to give Gary a run for his money.

ONE TO WATCH Owen Delaney (11)

Owen finished second on the Eurolift Suzuki at the first meeting, and second again at the meeting a month ago. So he's here again to go one better. He says he needs the money to get his car resprayed!

SUPER HERO

Josh Waterman (16)

Speak to Josh about the first race meeting and he'll tell you he was robbed! He proved it by coming first last month. He's here again to make his mark! But look out for Kirk Richards (3) who was right on his tail last time.

LOCAL STAR

Joshua Williams (20)

Joshua came saw and conquered first time with a first and two second places. He's back again tonight so Josh doesn't have it all his own way. This will be a battle to watch..

ONE TO WATCH

Sam Miller (6)

Sam should have been at the meeting on 17th May, but he was so keen to do well that he came practising.....and broke his collar bone! He's back now though, and mad for it so keep your eye on him..
