DEVON CLASSIC MCC LTD PRESENTS

THE DC-23 DASH

By kind permission of the landowner

Welcome to Devon Classic's autumn scramble 'The DC-23 DASH'!

We have a full programme of solo races for you today competing over this great track with the kind permission of the owner, Mike Spiller.

For those of you unfamiliar with the format that we use at classic scrambles, here is a breakdown of the classes that we usually run:

The Twinshocks are machines which were manufactured between 1978 and 1984. The individual riders are classified according to their timed performances in events prior to this one. All these machines will have plates with black numbers on a yellow background.

Twinshock A & B - This race has our fastest competitors, with the A riders in the expert class.

Twinshock C - These are our next fastest group, with riders aspiring to achieve A/B status.

Twinshock D - These riders enjoy racing, and will ride competitively.

Twinshock E & Novices - This race includes our more relaxed racers and provides those new to the sport with the opportunity to test their skills in a less competitive environment. This race also includes our female riders.

The classifications of the Classic Classes are pretty much self explanatory. The races have a mixture of classes. Each class has its own number plate colour so that you can judge who is best in that particular class:

Pre 1960	Black numbers on White
Pre 1965	White on black
Pre 1968 and all BSA Victors	White on blue
Pre 1974 over 250cc	White on red
Pre 1974 up to 250cc	White on green
Pre 1978	Black on yellow riding with the other classics

The amount of work needed to run an event like this is huge, both administratively and physically. Our grateful thanks are extended to all those involved, including all the officials and marshals plus our sponsors for the season Westcotts, DirtbikeXpress and Bridge Motorcycles.

The Clubs celebration of the 2023 season, where the Club Member Awards will be presented, will take place on Saturday 28 October at Cullompton Rugby Club.
