DEVON CLASSIC MCC LTD PRESENTS

THE SMEATHARPE FLYER

By kind permission of the landowner

Welcome to the Smeatharpe Flyer 2024! - At this great classic scramble circuit.

Once again, we are lucky enough to have Pre 1984 sidecar races for your entertainment.

On this occasion we are hosting The Wasp Sidecar Celebration. This is the premier event in the classic sidecar calendar, and attracts the very best sidecar teams.

For those of you not familiar with our solo classes we run, here is a breakdown:

Twinslocks are machines which were manufactured between 1978 and 1984. This class is the most popular with riders. The class into which riders are placed is based on their timed performances in events prior to this one. All these machines will have number plates, with black numbers on a yellow background.

Twinslock A and B - This race has our fastest competitors, with the A riders in the expert class.

Twinslock C - This is our third fastest group, with riders aspiring to achieve A/B status

Twinslock D and D1 - These riders enjoy racing, and will ride competitively.

Twinslock E - This race has our female riders on the start line competing for the ladies trophy. It also includes Novices and our more relaxed racers. It provides those new to the sport with the opportunity to test their skills in a less competitive environment.

The classifications of the Classic Classes are pretty much self-explanatory. The races have a mixture of classes. Each class has its own number plate colour so that you can judge who is best in that particular class:

Pre 1960	Black numbers on White
Pre 1965	White on black
Pre 1968 and all BSA Victors	White on blue
Pre 1974 over 250cc	White on red
Pre 1974 up to 250cc	White on green
Pre 1978	Black on yellow riding with the other classics

The amount of work needed to run an event like this is huge, both administratively and physically. Our grateful thanks are extended to all those involved, including all the officials and marshals plus those (club members and others) who have spent weekends and evenings preparing the course.

We would also like to thank to our sponsors, who help with trophies and funding towards some of our expenses and equipment:

Westcotts: Chartered Accountants with branches all over the south west, "at your service whoever you are, and whatever you want to achieve, financially."

Dirtbikexpress: The British based online provider of all things motocross, enduro and adventure.

Bridge Motorcycles: The award winning, family run business that has become the largest dealer in the south west.

Finally, and most importantly, we would like to thank the land owner, Mike Spiller, for allowing us to use this fantastic venue.
