DEVON CLASSIC MCC LTD PRESENTS

THE SMEATHARPE FLYER

By kind permission of the landowner

Welcome to the Smeatharpe Flyer 2023!

We have been having a glorious summer, today, we hope to match it with some glorious racing from an entry of over 200 riders which includes the spectacular sidecars.

This year, the sidecars are competing in the second round of **The Twinshock Sidecar Charity Series**.

Each team has paid an entry towards the prize fund. The total prize fund will be donated to the charity chosen by the winning team. For example if **Team Millward**, who are currently running second after the first round come out on top, they plan to donate to **Space4autism**. This is a parent-led charity, supporting families and raising awareness in the wider community. (Space4autism.com)

With our other classes, there are some minor alterations to the way we have organised our races. In brief, with the Twinshocks, which are machines which were manufactured between 1978 and 1984, the classification of the individual riders is based on their timed performances in events prior to this one. All these machines will have plates with black numbers on a yellow background.

Twinshock A & B: This race has our fastest competitors, with the A riders in the expert class.

Twinshock C: These are our next fastest group, with riders aspiring to achieve A/B status

Twinshock D: These riders enjoy racing, and will ride competitively.

Twinshock E & Novices: This race includes our more relaxed racers and provides those new to the sport with the opportunity to test their skills in a less competitive environment. This race also includes our female riders.

The classifications of the Classic Classes are pretty much self explanatory. The races have a mixture of classes. Each class has its own number plate colour so that you can judge who is best in that particular class:

Pre 1960	Black numbers on White
Pre 1965	White on black
Pre 1968 and all BSA Victors	White on blue
Pre 1974 over 250cc	White on red
Pre 1974 up to 250cc	White on green
Pre 1978	Black on yellow riding with the other classics

The amount of work needed to run an event like this is huge, both administratively and physically. Our grateful thanks are extended to all those involved, including all the officials and marshals.

Finally, and most importantly, we would like to thank the land owner, **Mike Spiller**, for allowing us to use this fantastic venue.
