DEVON CLASSIC MCC LTD PRESENTS

## THE SMEATHARPE FLYER

*By kind permission of the landowner*

**ALL VEHICLES PARKED AT OWNERS RISK**

We would like to welcome you all to **The Devon Classic Scramble Club's Smeatharpe Flyer** at our latest track; **Chapelhayes Farm, Smeatharpe.**

The Devon Classic Club would like to say a huge thank you to everyone who has helped get the scramble running; the landowner, the working party team, the track builders, marshals, caterer, medics etc etc too dangerous to mention names but the support of everyone is appreciated.

Whether you are watching or riding, we trust you will enjoy a great day's sport.

The Devon Classic Club is run by goodwill and hard work put in by a small, keen and dedicated group of volunteers. Help on race days or with track preparation is always welcome! You don't have to be a rider, just enthusiastic! Would you like to be involved?

We can be followed on Facebook @**DEVON CLASSIC SCRAMBLE CLUB**

The organisers reserve the right to alter or omit any part of the programme.

**Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding in the paddock. Liability for any claim could rest with the owner of the machine being used (or the parents in the case of a minor).**

### NOTICE TO THE PUBLIC

This event is being held on private property and you are strictly forbidden to cause damage in any way. Spectators are forbidden on the course or in the competitors paddock or to proceed beyond the spectator area. Persons ignoring the course marshals do so at their own risk. The promoters DO NOT accept responsibility for any accident arising there from.

### POLICE NOTICE

Due to the increase in the number of thefts of and from motor vehicles especially riders vehicles, during similar scrambles, the Police strongly advise you to lock our vehicle and remove any articles of value.

## WHY "THE SMEATHARPE FLYER"?

The name was inspired by the activities of the brave men and women who were based around, and flew from, Smeartharpe (RAF Upottery) during World War 2.

The airfield was opened in 1944, and was used by the USAAF and the US Navy. It was from here that, on the 6th of June 1944, The East Company of The 506th Parachute Infantry Regiment 101st Airborne Division made their first combat jump into Normandy.

In 2001, these events were depicted in the acclaimed TV mini-series "Band of Brothers".

Later, the airfield became used as a transport airfield, and as a base for antisubmarine patrols.

Our own John Heal has a strong connection, as his father, Mr Harold Heal was involved in the construction of the both the Smeartharpe Airfield and the Dunkeswell Airfield.

The land is now owned by Mike Spiller and his family, and it is with their kind cooperation that we are able to present to you this event today.
