### Secretaries Scratchings

Here we are back at Snetters again for what is the 3rd Round of this years BEMSEE Championships, the points from the first two rounds will be found elsewhere in the programme.

The first two rounds were held in March at what to most of us was a new venue, that being the 3 Sisters in Lancashire, the circuit for those who are not aware is 1 Mile in length, and unlike today's venue it has a variety of hills, with some very tight corners which most of our southern riders took a little time to master, but master it they did and put in some very creditable times, the fastest of the weekend finally going to Del Boy Spenceley, in a time of 1.0.3 secs which was a shade under 60 MPH. Two riders who really got to grips with the circuit in ultra short time were Alan Harland and Mark Coleing, both of whom rode at Lydden on Saturday and made the long trip north, Mark coming out tops with 2 Wins to Alans 1 Win, a very creditable performance considering they had very little practice.

Kevin Evans proved that he will be a rider to watch in the near future with 7 Wins and several fastest laps to his credit, for his performance the Commentators, yes we had TWO, made Kevin the Man of the Meeting. Another multi winner was Micky Archer who during the weekend had 9 Wins just to prove that you don't need a multi mega buck machine to provide the goods, Mick also had a multitude of fastest laps to his credit, albeit biting the dust on one occasion which left him with a very sore shoulder, not that you would notice the way he was going.

We tried something a little different by putting on a North, West, South Challenge Series, where the two teams with the highest points scores from Saturday went in to Sunday's Final.

The North and South Teams qualified for the Final, and what a Final, it was reckoned by the locals to be one of the best races ever seen at the Circuit, needless to say the Southern lads put it over the Northerners, Micky and Del Boy stormed into an early lead and really gave the rest a lesson in trackcraft, finishing first and second after some really spirited riding and many leader changes, Micky winning at the end, the gap behind these two was over 25 secs to the third placed rider, that being Peter Katuszonek, surely the surprise of the race was the performance of Ivan (Hilda) Hildige how on earth he finished in 5th place we will never know, maybe the northern air, or possibly their beer. The final points tally was 101 to the South and 99 to the North, so in the end it was a really close run thing, made even closer with both Lloyd Benton and Last again Byers biting the dust, neither of them for the first time during the weekend.

The verdict of those that took part was that we must do it again, so how about Pembrey, if you are interested let me know and I will see what we can do, maybe they all enjoyed it because it was FREE but I don't think so, as I understand there was a talk in team tactics in the Bar on Saturday evening, I assume Messrs Archer and Spenceley weren't there by the way they were charging?

All in all I think most of those that made the trip enjoyed themselves and would like to go again, even Des Lindsey and his good lady who came in for a fair amount of ribbing in the Restaurant on Saturday night, sorry about that Des but it was all in good fun.

Let's hope today's racing is as close, and don't forget next week we make our first trip to Lydden for round FOUR which is an additional ROUND. Here's to the future, all the best for now and keep it up.

SEE YOU ALL NEXT WEEK, AND THE WEEK AFTER AT PEMBREY.

# Lydden

For those who are not aware, we will be running our first ever meeting at Lydden Circuit next Saturday, we will be running the Meeting as ROUND FOUR of our Championship Series, there will however be one change to our normal meetings, that is the addition of a Prizefund of over £200.00 on the feature race of the day.

If you are a competitor and have not yet entered get your finger out and see us today, there are a few spaces left.

In our endeavour to gain as much Circuit time as possible for our members we have been negotiating with Tom Bissett the Circuit owner for more Lydden dates this season.

Well with the planning application throwing up a few problems for Tom and Mc Laren, their bad news is our good news, we have now been granted additional dates for this season.

It is our intention not to put these additional dates into our Championship, but to run a separate series, with hopefully an independent sponsor, to enable us to make all the rounds in the series the subject of a Prizefund, or if not at each round then certainly at the end of the series.

The dates which we have accepted are as follows,  
Sat/Sun 30th/31st May, Saturday 13th June,  
Sat/Sun 11/12th July, Saturday 22nd August, and last of all Saturday 26th September.

As you will see this brings our total days of racing up to 19 for this year, plus of course 1 Practice Day, spread over 5 circuits.

We hope that you will support our venture at Lydden and look forward to seeing many of you Competitors and Spectators alike, one must also not forget our Marshals, they really are the best band in the land, without their support no meeting would be possible, on behalf of everyone keep up the good work.

Yours in Sport.  
Terry Mount.
