SNETTERTON - THE RETURN

No one was more pleased than me when BEMSEE announced that we would be racing at Snetterton in 1995,so much so that Mr Mount has agreed to let me be Secretary of the Meeting at todays meeting,I am not sure if that is an honour or a penance,whatever he will get a rest?.

The last time we raced here was 31st October 1992,the penultimate round of our Championships that year.

Looking back at the programme it's quite interesting to see that amongst our Novices were Steve Goodyear,currently leading our Open Championship and Neil Bradford who is lying third in our Singles Championship,also in the Novice races were Steve Lee,who went on to be our Formula Junior Champion in 94,and Raoul Lawrence,runner up in the same Championship in 93.

Snetterton holds many happy memories for me,one being that it was where I first met Wing Commander Jeff Matthews,or the Old Tart as he is affectionately known,Jeff and his long suffering passenger Marie Wright are currently leading our Sidecar Championship and qualified in France for his National Licence,it has taken a while Jeffrey has'nt it.

Looking at the entry list for todays meeting fetches back memories of the Pound fine Club.Most of the members that still race have entered this meeting and therefore the famous Pound Fine Jar will adorn the counter in the race office,so members,you are warned at present the jar is a little light,but will no doubt be a good deal heavier at the end of the day.

For those unaware of the standing of the Pound Fine Club,it was started a number of years ago when a group of riders decided that every time they did something wrong,from crashing or merely talking sense in the bar after 9pm they would pay a pound fine to be used at a later date,they were so successful,or unsuccessful whichever is the case that at the end of one season there was enough in the dreaded jar that it paid for the entire groups Dinner Dance tickets,as well as having enough left to donate fifty pounds to the Medical Services here at Snett,and likewise to Brands Medics.

Perhaps a few members names might not go amiss just to shame them in to better performances or behaviour,the Hickeys,the Hildiges,Waterfield,Spenceley,and my my other half last Dougie Dean,lets hope they have a good day,but they will be watched to make sure they top up the jar.

We come to Snetterton straight from our meeting in France,it has been described by the riders as one of our most successful meetings ever,if you didnt go you were the loser.

It took a lot of organising and more than a few sleepless nights but everyone wants to return next year, The circuit owners thought you were a wonderful bunch and provided excellent racing and a good paddock atmosphere,just the thing we needed to enable us to return,I do know that Terry has already started plans for next year as the owners have asked us to return in the future.

In the meantime I hope you all have a successful days racing and look forward to seeing you at Lydden on Monday.

Yours in Sport
