1991 SPONSORS

This season we are extremely pleased to welcome back again virtually all the sponsors that we had last year, with the addition of some who are new to the sport.

NOVICE 350cc and 351cc to 1300cc

Firstly a new sponsor to the motorcycle side in the form of H.E.A.T which stands for Heat Electric Advisory Team under the leadership of Tony Dutch, who along with Steve Miners of Mid Essex Electrical Engineers will be supporting the up to 350cc Novice Series, and the 351cc to 1300cc Novice Series as well as the normal sponsorship package Tony and Steve are hoping to provide something extra at the end of the season to the rider who in their opinion is worthy of a little help, this need not be the series winner, but someone who in their opinion deserves it.

350cc OPEN CLASS

Dennis Trollope/Morris Lubricants operated by Dennis and Ann Trollope, Dennis approached me at the latter part of last season to support the 350cc Open Class, as he is still marketing new 350cc T.Z. engines. Most of you will be familiar with Fowler Yamaha who support various riders at all levels of the sport, it is not only support but Dennis also races himself when time permits.

1300CC PRODUCTION CLASS

Sharon Finn girlfriend of the late Dave Burford will again be supporting the 1300cc Proddy along with Daves Dad, in addition to the normal end of season trophies, the winner will receive for one years retention a magnificent trophy which was specially produced in memory of Dave.

350cc PRODUCTION CLASS

Lionel Blanks and his wife are again supporting the 350cc Proddy in memory of their son Paul who lost his life in the sport he loved most, it is very heartening to know that those who have lost someone very dear to them are prepared to support the sport which cost the life of their dearest.

250cc PRODUCTION CLASS

Stan Stephens has again offered to support the 250cc Proddy as he has for the last couple of seasons, Stan as you will know is the man who does an awful lot of tuning, not only for road racing but in other branches of the sport as well.

BIKEBUSTERS F.A.S.T. TYRES OPEN SIDECAR

Barry Lovelock of Bikebusters of Marlborough is another who approached us with a view to sponsoring a Sidecar Series, this you will see is the third sidecar race in our programme, therefore making all three chair races Championships in their own right.

MOBIKE BROMLEY OPEN SIDECAR CLASS
1300cc OPEN CLASS

Steve Williams of Mobike Bromley are again supporting the 1300cc Open Class as well as a Sidecar Race.

On behalf of all the competitors I would like to thank all of our Sponsors not only for their financial support but also their support on the day, as well as assisting individual riders.

For those who are not aware what our sponsorship entails, no is does not cost an arm and a leg, all we ask is the sum total of 400, which is for one class for the whole season, which is used to supply end of season trophies and a Prize Fund, I am sure you will agree this is worthwhile when you consider the number of meetings you get for what is really quite a small sum, in fact considerably less than some clubs ask for a lot less exposure.

If you are interested we still have available the Single Cylinder Series, and the Non Power Valve L.C. Yamaha, if this appeals to you why not give us a ring on 0474 879731, if you are unable to find the full amount we can possibly work something out to suit the individual purse.

Yours in Sport

Terry Mount

For those of you that are unaware what commentator Stuart Perry has been talking about at recent meetings in relation to the above band of racing souls, I will do my best to put you in the picture.

The 1.00 fine club was instigated a few seasons ago by a group of riders who felt that they needed more than to just go racing i.e. they wanted to become socially involved other than at race meetings, so they thought up the idea of putting 1.00 into the kitty every time they did something untoward such as being lapped, falling off, breaking down or even failing to make the start of a race, all funds in the kitty are then used for social entertainment, or as normal people would call it drinking sessions.

Stuarts involvement started earlier this season when he happened to find himself drinking in the same establishment. During the evening he obviously got to know the members a little better than he had done previously and threatened to make the world at large aware of the clubs dubious existence.

To counter whatever Stuart might have been thinking of doing the gang had to think quickly, something for which they are not well known, on the dawning of race day Stuart got into his commentary tower to find he had the company of DORIS, who is DORIS you might ask, well DORIS is a blow up doll who is the travelling companion of the Hickey brothers Phil & Ian. Stuart took all in good heart and DORIS was duly taken for a tour of the circuit on the pillion of Peter Bartlett's bike. The next meeting arrived and apart from Stuarts comments about Phil fighting his way to the back of the field all was quiet, until the evening presentation where Stuart was presented with a puncture outfit to make good any damage done to DORIS by Stuarts amorous advances.

At the following meeting Stuart not to be outdone passed around a letter about Phils exploits whilst under the watchful eye of Maestro Kenny Roberts, backed by a rather suspect hamburger chain which is probably Phils main diet, mention was also made that the only thing Phil passed in his test session for Team Roberts was someone called WIND???. What did Stuart find in the commentary tower this time well being a COMMENTATOR he had a rather large suitably adorned King Edward, which he is apparently going to take to future meetings, during the days racing several members of the club had problems and took suitable verbal punishment also the fund was much better off as a result, Ians machine had terminal illness and was put down, Phil with guidance from others learnt how to rebuild a clutch. Fast Dougie Dean now knows you have to tighten things up or they fall off, and Del Boy Spenceley knows the screen is to look through. NOT put your head through.

Much comment was made at the evening Presentation of the exploits of Club and reference was also made to the amount of money in the Fund which seems to point to the fact that the team are probably not the best organisers the world has seen. The next meeting being on the G.P. Circuit found Stuart out in the country commentary point, which during the early hours had been adorned with decorations from Hickey Sans sponsors the Yatsamburger Chain, during the day various fortunes fell the way of the club the worst of which was to Ivan Hildige who parted company from his machine at Druids leaving him with a very painful knee but with medication from DORIS Ivan will be out soon. The known members of the club are Fast Dougie Dean or Martin to his enemies, the Hickey brothers, the Hildige clan, Neil Dove, and Andy Young who with help from the team repaired his almost totalled bike following a very fast off at Corams, the best of luck to you all. WHAT WILL HAPPEN NEXT I DREAD TO THINK ???.

SPECTATOR NOTICES

Please do not leave litter about the grounds - take it with you. Remember to drive with care and caution when leaving the grounds. To safeguard both competitors and public - animals are not admitted. This is most important.

Prohibited Area Notice: The public are not permitted in the areas where these notices are displayed. The fences are there for protection, and any persons found trespassing, or wilfully damaging trees, fences, etc., will be prosecuted by Brands Hatch Circuits Limited.

The promoters reserve the right without notice to make any alteration in the programme.

Enquiry Office

All enquiries relating to property lost or found, children lost or found, wandering, theft from cars or other signs of tampering, emergency messages for spectators and any other serious problems relating to persons or property should be directed to the Snetterton circuit office. British Telecom Telephones are situated in the paddock.

FLAG SIGNALS

Red: When shown at marshals points around the circuit all riders must immediately cease racing and return with extreme caution to the Start/Finish line.
Yellow (waved): Great danger in section of track ahead; slow down; proceed with caution.
Yellow (motionless): Danger in section of track ahead; take care, no overtaking; maintain positions until clear of section displaying yellow flag.
Green: Course clear. Used on marshals' posts to indicate their position to riders on first lap of all practice sessions. Also shown immediately after the post where a yellow flag has been shown to indicate circuit now clear ahead.
Black: Accompanied by riders number on separate board. That rider to stop in pits next time round. Always shown at start/finish line on special instructions from Clerk of the course.
Yellow with red stripes: Oil flag. Displayed when oil has been dropped on the circuit in that section, displayed until the hazard has been dealt with, also denotes slippery surface ahead.
White: Ambulance or course car on circuit.
Blue: Overtaking signal. The blue flag informs the rider that he is going to be overtaken by one or more faster motorcycles.
Yellow and black cross: Denotes start of last lap.
Black/white chequered: Denotes finish of race, usually waved at the winner and held motionless until every other rider has passed.
NB: Races at all Brands Hatch Circuits are started using a system of red and green lights.

1 Lap = 1.952 miles
