## Secretaries Scratchings

We are here at Snetterton for the second time this season for round 7 of our BEMSEE Championship, the last round for which the points are available at the time of going to print was our first ever meeting at Lydden, which was round 4 of the Series, the points are printed elsewhere in this programme.

At the present time no one has a 100% wins record, which of course makes virtually all classes a very tight run affair, the tightest of all being the 1300cc Mobike Bromley Series, where the first 4 are all on identical points, with the next 2 being only 1 point adrift, this leaves things wide open for future rounds.

The strangest class is the Priory Health Care Unlimited Singles, where Del Boy Spenceley has done only 1 round and is now leading the series, this is achieved due to the lack of entries in the class, with only half points being awarded in the previous rounds, Lydden had a better entry so qualifying for full points, where have all the singles gone? last year we were asked to put on another singles race, which we have done, and at present if we put all the competitors from all three races together we would still not get a full grid, with this in mind we have gone back to only 2 singles races for our Lydden Series.

The same thing has sadly happened with the 350cc Sidecars, with at the time of going to print not a single 350cc entry for Pembrey. Our next meeting will be our first ever 2 Day Meeting at Lydden on the 30th/31st May, which will be first rounds of the Lydden Dealer Support Series, which will be run separately to our normal series, and will include a considerable prize fund at its conclusion, we will in fact be running 5 rounds of this series at Lydden before we move back to our normal series, which will re-commence at Brands on August 1st, perhaps this will herald the return of the Singles and 350cc Sidecars, who knows? Whilst entries this season are a little down on previous years, certainly the atmosphere in the Paddock is still very good.

I am sure marshals and competitors alike appreciate meetings finishing at a reasonable time, unlike last years Supercup which we ran here, where we were unfortunately plagued with incidents way above the normal number, and to make things worse we were not able to re-schedule the meeting to make up any lost time, due to Television and the Rules of Supercup, which were fortunately changed after the meeting to alleviate possible problems at other rounds.

We shall certainly do our best to make sure that our meetings run to time, and give good value for money, whilst still letting everyone get away at a reasonable time, we will however never try to cut corners at the expense of anyone concerned, be it riders or marshals.

We hope you will all enjoy today's racing and that we will see you at our future meetings, both here and at other circuits.

## MOTORBIKE BLUES

Well I bought this bike from the local store,  
Its priddy fast but I wanted more,  
The engines fine, the brakes are too,  
I just dont know what Im gonna do,  
I, ll join a club to get more speed,  
BEMSEE seems like the one I need,

CHORUS.

Motorbike ridings so much fun,  
In the rain or in the sun,  
Keep that rubber on the track,  
Just open her up and dont look back.

The friends Ive made are really great,  
The kind of guys you just cant hate,  
A motorbike racer I wanna be,  
Win or Lose,dont matter to me,  
But if you want to win the race,  
You have to have the quickest pace.

The other guys were tough as hell,  
Who'd win the race? I couldnt tell,  
The engine blew whilst on full load,  
The day I threw it down the road,  
So now I.m stood here all forlorn,  
My brand new leathers all tattered and torn.

We back our guys all the way,  
We just listen to what they say,  
We chack their times, we take their mood,  
We even cook their daily food,  
But when it comes, the end of the day,  
We just know what were gonna say,

The kids dont mind what us guys do,  
Racing to them is nothing new,  
They may go and visit the pits,  
Or even take our bikes to bits,  
They watch us racing from the crowd,  
Even though its priddy loud,

The marshals work all round the track,  
They're the ones who take the flack,  
They wave their flags if we get it wrong,  
Or cheer us on when we're on full song,  
They help us back up on our feet,  
They're the guys you just can't beat.

But now i,m getting old and grey,  
I,ve had to give my bike away,  
I,ve got no money,I have no shoes,  
All I,ve got are MOTORBIKE BLUES.

George White.
