MICK STRATFORD MEMORIAL

This event is held to Commemorate Mick Stratford, the inaugural club member founding the North Wilts MXC in 1980. He organised events until his unfortunate death. He loved the sport and this tragedy occurred whilst at an event in November 1981. He will always be remembered and his name associated with this club and we are pleased to announce that the North Wilts club members will be competing for the Mick Stratford Memorial Trophy today. This trophy is awarded annually to the North Wilts rider who achieves the highest race points at this event. It has been a tradition the club has upheld for many years in respect of Mick and will continue to do so in honour of the club founder.

We would also like to thank Mick's wife, Heather, who, with the help from son Paul and family, have sponsored today's event.

Special thanks go to Heather, whom through the years has continued to assist the North Wilts MXC and her help is appreciated by all its members, past and present.

Thank you.
North Wilts Motocross Club Members.

CALLING ALL LANDOWNERS

For further information, please view the AMCA website or call our dedicated development officer on **01543 466282**

The AMCA remains the only association to own land and has hundreds of acres tied up nationally in long term lease agreements. The AMCA is well versed in many land management issues and is always on the look out for new land opportunities.

Any land would be welcomed for a viewing upwards of 25 acres. Great diversification for landowners without any outlay. Landowners are fully indemnified under the AMCA insurance and we welcome approaches from just one day per year to something far more regular.

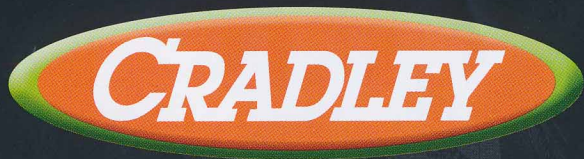

TROPHIES ARE NOW AVAILABLE FROM THE AMCA

Dozens of styles available, please phone for further details

Trophies now available again from the AMCA. Just complete the trophy order form with your event pack, or contact us for details.

Molds Big Turnaround

The AMCA's Mold Motocross Club are staging their third event of the 2013 calendar at their fantastic home of Babell, North Wales on Sunday 28th July and have decided to reverse the circuit back to its original direction!

The Mold club have confirmed that their hard work, time and effort into switching the track to run in the opposite direction to recent events. The circuit work is undergoing with the existing jumps being redesigned to allow a challenge but with safety in mind at the same time.

So once again the Mold club are looking for a good turnout for their third meeting of the year and hope to have another successful meeting with this being the clubs 11th year at the Babell circuit.

One Day Licences are also available on the day. The technical circuit has always attracted bumper entries and the 28th July date should be no different, especially with the circuit being reversed back to its original, fun and exciting route!
