PRESENTATION OF AWARDS

The winning rider in each class is the rider with the highest number of points. All races shown in the programme will count. Any additional races not shown in the programme will not count towards the overall position. Any ties will be settled by the results of the last race in each class.

MICK STRATFORD MEMORIAL

This event is held to Commemorate Mick Stratford, the inaugural club member founding the North Wilts MXC in 1980. He organised events until his unfortunate death. He loved the sport and this tragedy occurred whilst at an event in November 1981. He will always be remembered and his name associated with this club and we are pleased to announce that the North Wilts club members will be competing for the Mick Stratford Memorial Trophy today. This trophy is awarded annually to the North Wilts rider who achieves the highest race points at this event. It has been a tradition the club has upheld for many years in respect of Mick and will continue to do so in honour of the club founder.

We would also like to thank Mick's wife, Heather, who, with the help from son Paul and family, have sponsored today's event.

Special thanks go to Heather, whom through the years has continued to assist the North Wilts MXC and her help is appreciated by all its members, past and present.

Thank you.

North Wilts Motocross Club Members.
