

## MOTOR NEURONE DISEASE

The **MOTOR NEURONE DISEASE ASSOCIATION** works for people affected by MND to secure the highest standards of support now whilst funding the research that will deliver our ultimate goal ..... the eradication of the scourge of MND.

**MOTOR NEURONE DISEASE** is a muscle wasting condition. It strikes more often than better known diseases such as Multiple Sclerosis.

There are 6000 people with MND at any one time and 3 people die every day from the disease.

MND is a progressively paralysing disease, robbing the body of its power to move but the mind and intellect remain intact.

Professor Stephen Hawking, the brilliant physicist and author of "A Brief History of Time" has Motor Neurone Disease.

The courage, fortitude and determination of those living with MND is an inspiration to us all.

Famous people with MND have included David Niven, Leonard Cheshire, Sir Ian Trethowan, Lord Halifax, Don Revie and Jill Tweedie.

## WELCOME TO RUSPER

On behalf of the Twickenham & District Motor Cycle Club may I welcome you here today for the penultimate round of the British Sidecar and Four Stroke Moto Cross Championships of 1994.

You can actually witness the winning of both titles today as it is mathematically possible for both 1993 champions to retain their No.1 plates.

Perry Leask is the solo man aiming to keep his crown and it has looked like his title almost from the word go this year. Fifteen wins out of eighteen starts plus two second places has kept former champion Derek Roberts reeling in Perry's wake. Husqvarna versus Husaberg has been the scene all season but once again the combination of local man Perry Leask aboard the Italian Husky four stroke has been almost unbeatable. Remember though this is moto-cross and anything can happen and there are nearly forty other riders all hungry for positions so watch out for some good scraps and listen to the sound which is best described as "rolling thunder".

On the three wheel scene we also have multi British Champions Chris Etheridge and Gary Withers aiming to tie up the '94 season by retaining the title. Chris and Gary have taken twelve wins out of fifteen starts with one second and one third whilst second placed crew Colin Philpott and Jason Peters have had an appalling run of bad luck with injuries, engine problems and punctures. Anyone who went to the last round at the Ken Hall will have witnessed one of the best dices for quite a while between these two crews but we must not forget the likes of Peter Clark and John Chambers plus also Stuart Brown and David Keane who are always snapping away at the front two. Couple these four crews with the other twenty-six on a tight little circuit like Rusper and you should get your money's worth of entertainment today.

Talking of money I must take a few minutes to thank publicly our sponsors today. Firstly Chris and Roy Reilly of Berkshire Cycles who support many clubs and riders. If you need a push bike go to Berkshire Cycles. Take it from me you will get superb service from a team that support the sport. Roy and Chris once again sponsor all three sidecar races. A sincere thanks.

The Four Stroke races are jointly financed by three sponsors - Peter and Mike Pearce of Peter W. Pearce Builders, Mike Carter of Husky Sport and Bob Saw of Southern Counties Fuel Oils (Byfleet). All our sponsors are long term friends of the Twickenham Club and its to them that we all owe a big thank you. The championships today could not be run without their financial help.

Finally we must thank our old friend at the NLVR Peter Dowse who not only sponsored a meeting earlier this year but also volunteered to give us financial aid on this occasion again.

Acknowledgements and thanks to Charlie and Elaine Frost (Landowners), Dorking St. John Ambulance Brigade, Brighton & D.M.C.C. (start gate), the locals for putting up with us for all these years and to all the helpers today.

Give all the lads a cheer, enjoy yourself and have a fun day.

Yours in sport,

Les Batten
