THE MOTOR CYCLE ASSOCIATION OF GREAT BRITAIN LIMITED

The Motor Cycle Association is the official body representing the two and three wheeled vehicle industry in Great Britain. Today membership is virtually 100 per cent representative of the whole industry both importers and UK manufacturers.

The MCA's newly formed Off-Road Marketing Group comprises specialist companies involved with motocross, trial and enduro and is responsible for protecting and expanding all aspects of these exciting sports. On behalf of the industry it liaises with organising federations and obtains maximum positive publicity for off-road motor cycling. A list of companies in the Off-Road Marketing Group is included below.

On behalf of the MCA and the Off-Road Marketing Group we would like to wish competitors, officials and spectators a very enjoyable day and a safe journey home.

NEWBURY M4 ↔ OXFORD

FORWARD BY MANNIX DEVLIN, News Editor, Trials and Motocross News

Firstly let me welcome you to Streatley Hills, the new home of Mortimer Motorcycle Club motocross events. The Mortimer club have had an association with sidecar motocross, now called sidecar-cross, going back many years, and have in the past hosted prestige events including the British round of the European and World Sidecar-cross championships on a number of occasions at its former venue Beenham Park. But whilst the club is no stranger to big time sidecar-cross today's fixture is a new experience — the club's first promotion of an international sidecar event, outside world championship status.

As application has been made to run the 1986 British Sidecar-cross GP this event will act as a test run, not only from the organisational side but also for many of the riders competing. For this event some of the world's best sidecar crews have been attracted to the spectacular Streatley circuit—coming from Holland, Belgium, Denmark, Switzerland, West Germany, France and Ireland in addition to the cream of our home crews.

Topping the bill is world class pairing August Muller and Henk Van Heek from Holland, who campaign one of the new breed of lightweight single-cylinder two-stroke outfits. Muller is currently second in the world rankings (as this piece is written).

And judging from those rankings our top three British crews are the men most likely to give Muller problems during the three legs counting towards today's overall classification.

Doug Fox and John Cooper have been the most consistent of our home crews currently fourth in the world series points standings. But if Fox is consistent then Paul and Mark Millard have earned a reputation of being quite the opposite. They are fast and hairy and they either end up with brilliant results or crashes. Despite this though they are now fifth in the world rankings and showed everyone a clean pair of heels at the most recent British Championship fixture when they notched up three clear cut wins.

Multi British Champion Terry Good and Swiss passenger Andreas Husser—campaigning the all British Wasp four-stroke outfit—are no strangers to Streatley Hills and can be expected to show their metal. Of the other continental crews Switzerland's Thomas Graf/Markus Von Rotz (who hold sixth in the world rankings with another lightweight) and Hansruedi Herren/Urs Furigo (11th in the world), Belgium's Daniel Van Bellinghen/Karel Torfs (10th in the world), Holland's Rein Van Gastel/Cor Van der Bijl and French pairings Nicolas Samofal/Lucien Caggiano and Herve and Luc Breant are the most likely to be amongst the front runners.

From the large British contingent watch out too for Kim Logan/Shane Rice, Colin Philpott/Dave Henley, Andy House/Dean Ray and Perry Miller/Paul Thomas.

Not content to lay on a quality sidecar field the club have also attracted a good field of solo competitors to contest the Jackpot Trophy—an event which dates back to the late 50s. Front runners are expected to be Jared Smith, Mark Bennett, Tim Stowe, Rob Meek, Stuart Coyle, Carl Shaw and Alan Blood.

In addition to all this a round of the Carlisle Tyres British Trike Championship—three wheeled action of a different nature—is also included in the programme. All the top contenders of these balloon tyred machines will be in action.

To close, I hope that you enjoy yourself today in the Berkshire countryside, and that you continue to support off-road motorcycle sport with the excitement it has to offer.
