The Motor Cycle Association is the official body representing the two and three wheeled vehicle industry in Great Britain. Today membership is virtually 100 per cent representative of the whole industry both importers and UK manufacturers.

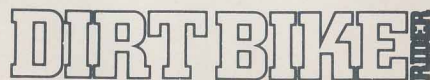

The MCA's newly formed Off-Road Marketing Group comprises specialist companies involved with motocross, trial and enduro and is responsible for protecting and expanding all aspects of these exciting sports. On behalf of the industry it liaises with organising federations and obtains maximum positive publicity for off-road motor cycling. A list of companies in the Off-Road Marketing Group is included below.

On behalf of the MCA and the Off-Road Marketing Group we would like to wish competitors, officials and spectators a very enjoyable day and a safe journey home.
