OFFICIAL PROGRAMME

W A R N I N G

MOTOR CYCLE RACING IS DANGEROUS and persons attending the meeting do so entirely at their own risk.

It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of the meeting, including the owners of the land and the drivers and owners of the vehicles, are absolved from all liability arising out of accidents howsoever caused resulting in damage and/or personal injury to spectators.

Additional Notices

The Organisers, the A.C.U. and the Landowners do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the Car Parks.

Spectators are warned of the danger presented by wandering animals and the Club insists on all dogs being leashed.

Land suitable for running scrambles is still in very short supply. Having found a good Course the Sidcup & District M.C.C. want to keep it. It is with this in mind that we appeal to both spectators and competitors to have consideration for the local population by driving carefully and quietly in the narrow roads leading to the course. Please do not leave paper or litter behind, it all has to be cleared up by tired voluntary helpers after the meeting.

This competition is held under the General Competition Rules of the A.C.U., the Standard Speed Regulations of the S.E. Centre A.C.U. and the Approved Supplementary Regulations.

Appreciation

The grateful thanks of the Club go to the Red Cross, Dartford, Kent County Constabulary, and to members and friends who have acted as Marshals and Officials, and to the Riders who have made this meeting possible.

Special thanks go to the owners of the land (The Executors of the Late M.Wheeler, Esq.)

NOTES TO ALL RIDERS

RIDING IN THE PADDOCK

Once again attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding in the Paddock. All too Frequently at meetings children are allowed to ride machines in the mistaken belief that because a race paddock is on private property and outside the jurisdiction of the Road Traffic Act, no insurance is Necessary. It cannot be stressed too strongly that the LIABILITY FOR A SUBSTANTIAL CLAIM COULD REST WITH THE OWNER OF THE VEHICLE AND THE DRIVER (or the Parent in the case of a minor).

The Union's Insurers will quite legitimately repudiate any claim on them for damages arising out of the accident caused by an unauthorised driver.
