Hullo Folks,

After a lapse of many years, Minety Vale Motor Club, forever famous for the "Shorncombe" and "Long Newnton" tracks, bring you once more for your enjoyment — GRASS TRACK RACING. I wonder how many of you attended the fantastic meetings of the old days. If you did, you will remember Lew Coffin, surely Lew must rank as the rider who has ridden in more races than any other rider in the world — he should have a place in the Guinness Book of Records, that's for sure. We wish him luck today!

Our thanks are due to "Pop" and Jim Webb for making this meeting possible by the use of their land, to the St. John's Ambulance Brigade, and many others in various ways, and we hope that you will be rewarded by real "Minety Vale" racing and enjoyment.

Yours sincerely,

CECIL TELLING
