

From behind the handlebars at Hagon Shocks

Welcome to the 2022 Classic Dirtbike Show. After a Covid-thwarted year we are seemingly en route back to 'normality' (if there is such a thing with us Dirt Bike folk?) and enjoy getting some mud under our tyres this year, in whatever discipline you are taking part. We look forward to catching up with you all, and looking at some wonderful bikes as per usual. Please help keep everybody at the show safe by adhering to the latest Covid rules, and if you have lost a biking buddy recently then remember them with an extra twist of the throttle this year, along with the obligatory grin and a nod towards the 'Top Paddock'.
