GENERAL INFORMATION.

The Club is under obligation to make good
any damage caused to private property, and is
responsible for the collection of any litter.
Spectators are therefor earnestly requested
to refrain from any action that may cause
damage or annoyance.

Thank You!

After the Trial, Tea may be obtained at the
"Hand & Spear" Weybridge (Near Weybridge St.)
where a Social Evening will be held, and the
Results given out.

-----oOo-----

The Club wishes to thank all for any
assistance in the running of this Trial, such
as observing Etc., without which no Trial
could succeed.

Would you like to help? If so, a ride
round the course will show you a hill where
assistance may be needed. To this end, nearly
every section can be by-passed by vehicles
with Standard Tyres. Don't forget the rest of
the course at Pirbright. This is the most
interesting, and more observers will be needed
there.

Mr. J. Sutton will be at the Start to take
observers to the Bagshot Heath area, and Mr.
W.T. Bult will conduct a party to Fox Hill
Pirbright. May we ask Clubs to place them-
selves in the hands of our Key-men, and to
split up if necessary? Owing to the Sidecars
having in most cases a different Hill to the
Solos, a large number of Observers will be
required. Those who take the Sidecar Hills
will be able to see the Solos afterwards as
the Chairs go First.
