We are Back

This weekend sees our return to the 3 Sisters Circuit, last year being our first ever visit here, we would like to thank Ray Hide for giving us the opportunity to race here again, and also for being so helpful in the preparation of the circuit for this meeting.

Last year we ran a North, South, West challenge which was well received by competitors and spectators alike, and we have decided to do a similar event this time, although only with 2 teams, our own club members challenging those from local North West Centre Clubs, there will be one race each day with points accumulated to decide the winning team, each member of which will receive a trophy for their efforts, if last years races are a guide this should provide some really exciting racing.

We are also running something which has not been seen here before, yes those loonies on QUADS, if you have never seen their antics I can assure you that you will not be dissatisfied, if you would like to know more about quad racing why not pop into the paddock and have a chat to them, they are a friendly bunch, off track at least. Or give Steve Prossor of Z Z Promotions a ring on 0280-824008 for details.

On Saturday we have Scooter racing, again these have to be seen to be believed, who would think hairdryers with such tiny wheels could perform as they do, still everyone to their own, again if this economic form of sport interests you, go and have a word, or give Geoff Mason of the National Scooter Sport Association a ring on 0708-861777 for further info.

On behalf of BMCRC I hope you enjoy the weekends entertainment enough to return again on 17/18 July when we return here to 3 Sisters.

Terry Mount
Race Secretary

BEGINNERS GUIDE TO ROAD RACING

For those of you spectating at todays meeting who feel they would like to participate rather than watch, we have published the above Booklet to help you on your way.

This should help you to understand the way to go about starting in the sport, hopefully pointing out the pitfalls, it takes you from where you are now to actually racing, but it leaves the winning to you.

This Booklet is obtainable from the Paddock Office for the vast sum of £1.00, less than half the cost of a gallon of petrol

DO YOU ENJOY YOUR MOTORCYCLE RACING ?

Have you ever thought of becoming part of the organising team ?

We are always looking for enthusiasts to assist us in the running of a meeting, from Marshals to Officials.

All we need from you is enthusiasm, we will will teach you what to do. The BONUS is you wont have to pay for admission to meetings, also you get to meet the riders on a personal level.

If you are interested but not sure what you can do, why not pop in to the Race Office and have a chat, or give us a ring on 0892 525800.

VOUCHER COLLECTION

How often do you go into a garage for petrol and not bother to collect any vouchers that are on offer.

Yes we all do it dont we?

Why not pick them up even if you dont collect them, drop them in to us in the Race Office, it doesnt matter what tokens they are, we can then collect them throughout the season, hopefully we can collect a considerable number, which can then be used to obtain goods for use as prizes, either for our hard working marshals, or as prizes at the Dinner Dance on December 11th.

Dont forget any number any type, we will use them.
