DISCLAIMER

WARNING.

Motorcycling is dangerous. You are present at this meeting entirely at your own risk and the ticket of admission is issued subject to the condition that all persons having any connection with the promotion, organisation and or conduct of the meeting, including the owners of the land and the drivers and owners of the vehicles and the passengers in the vehicles are absolved from any liability in respect of personal injury (whether fatal or otherwise) to you or damage to your property, howsoever caused.

ACKNOWLEDGEMENTS

Shaw & District M.C.C. has pleasure in recording its appreciation to the following for assistance with this Meeting :-

GREATER MANCHESTER COUNCIL

ST. JOHN AMBULANCE

THE RED CROSS

THE MARSHALS & HELPERS

THE PROGRAMME SELLERS

PRESTON & DISTRICT M.C.C.

DAVE SMITH (NORTHERN WHEELIE KING)

Dave, who is 25 years old, comes from Royton, near Oldham and is an active member of the Shaw and District Motor Cycle Club. He works for the Oldham Metropolitan Borough Council as a Civil Engineer in the Main Drainage Design office.

His interest in motorcycling began when he was 15 and since then he has competed in most branches of motorcycle sport, starting with trials events and progressing to amateur motorcross.

He started stunt riding only 12 months ago, but he is rapidly making a name for himself, performing at drag race meetings throughout the country, where he wheelies his bike through the speed trap at 80 m.p.h.

Today, Dave is attempting to wheelie his bike around the Three Sisters Circuit, which has a lot of tight bends and is, in fact, more suited to karts than bikes - not exactly the place to negotiate corners on one wheel! Also he will be performing various stunts with his brave partner, Mark, who actually volunteers to be ridden over!

Later in the year Dave intends to attack the World Wheelie Record, presently held by Dave Taylor, which stands at $6\frac{1}{2}$ continuous miles on the back wheel. He hopes at the same time to raise money for the Daily Express Stoke Mandeville Hospital Charity Appeal and he is looking for sponsors at all levels for this event, which will involve extensive media coverage.

The bikes he will be riding will be:-

Kawasaki KX 400 scrambler with modified footrests.
Montesa Cota 247 trials bike.

SHAW AND DISTRICT MOTORCYCLE CLUB.

Founded in 1958 as a Road Riders Club, as the members got the urge to compete, it progressed into a sporting club as well.

The Club has organised Trials for many years now, but with a recent swing in membership to the road side again it was decided to run a Road Race.

Our members now, not only compete in Trials but Road Racing, Drag Racing, Grass Track, and even some in Stunt Riding. We also have an active road side e.g. Rallies, Camping weekends etc.

As you can see we are a very active Club and would make any new faces welcome on a Wednesday night 8-30 onwards at the Blue Bell Hotel in the centre of Shaw.

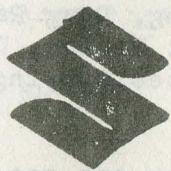

We hope you have enjoyed our event, and drive safely on your way home.

FULL RANGE OF HONDA & SUZUKI MOPEDS & MOTOR CYCLES
