THE FIRST AND BEST REPORTS

THE big trials, scrambles and road races, at home and abroad, all fully reported and illustrated: eye-witness accounts brought to your breakfast table by Wednesday morning. Edited by Cyril Quantrill, *Motorcycle News* will provide the best news service that active motorcyclists, and thousands of others interested in the pastime, have ever enjoyed. The adoption of a newspaper format enables each report to receive all the space it deserves. There will be no "padding" to fill a page, nor will there be any arbitrary "cutting" to fit an article to its allotted area. Readers will get the news and views they want; and they will get it all on Wednesdays.

EASY TO READ

For those with the time to browse through more than 30 pages of editorial matter and over twice as many pages of advertisements, there is already more than one established and well-loved, motor-cycling journal. *Motorcycle News* is for the man in a hurry. Its bright presentation of the news—of sport, foreign motorcycles, and of every-thing of interest to motorcyclists—will keep its readers quickly informed of all current develop-ments.

It is the paper to read in the train, in the canteen, or in the workshop. It belongs to the second half of the Twentieth Century, and will cater particularly for the riders of today and of tomorrow.

EASY ON THE POCKET

Because it will never attempt to fulfil the dual—but to our way of thinking, opposed—roles of a newspaper and magazine, and because it will contain no thousands of words of clutter...

FULL RESULTS

While concise, factual reporting of a news story to be included in a short, easy-to-read article, *Motorcycle News* will never reduce results to absurdity.

OFFICIAL INTELLIGENCE

The decisions taken by the various official motorcycling organiza-tions concern all motorcyclists. This paper will maintain a close liaison with the Fédération Inter-nationale Motocycliste, which frames the international rules for the sport, and with the British governing body, the Auto-Cycle Union. It will carry reports, their activities and decisions.

Then there is the Royal Auto-mobile Club, with its special motorcycle section, which operates a learner training scheme in co-operation with the A.C.U. And for C. and on other regularly

The News You Get

Away from the main headlines there are many other minor happenings in the motor-cycle world. The man who wishes to be well-informed about the pastime must know something of them.

All he wants are the bare facts. In short paragraphs, these smaller happenings, at home and abroad.

Results of open-to-Centre sporting events, details of regula-tions available, information about A.C.U. and F.I.M. activi-ties that are of interest to only cycling public, all such will find their corner in *Motorcycle News*. And its newspaper style presentation will enable readers to find the facts they want quickly.

Pictures which make news—as, for instance, this shot of Bob McInerney having his first ride on Geoff Duke's B.S.A. in the last meeting of the year at Brands Hatch.

AND NOW YOU CAN FLY . . .

THE WILTSHIRE SCHOOL OF FLYING LIMITED, which operates this Aerodrome, has pleasure in announcing the first system of Hire Purchase flying instruction in the United Kingdom.

FROM OUR EXPERIENCE we find that the average pupil requires seven to eight hours' dual instruction before qualifying; our "Student Pilot's Course," total cost £26, therefore, covers seven hours' flying instruction, either dual or solo flying.

IN OUR NEW SYSTEM this can be paid under any of the following instalment plans:—

- (a) £3 down and 35 instalments of 13/6—£26 12s. 6d.
- (b) £6 down and 30 instalments of 13/6—£26 5s. 0d.
- (c) £9 down and 20 instalments of 16/6—£25 10s. 0d.
- (d) £12 down and 20 instalments of 13/—£25 0s. 0d.

THESE CHARGES include membership of the Wiltshire Flying Club during the period of the contract, which entitles you to all Club facilities, with accommodation and meals at Club rates. It also covers all ground instruction and the loan of Instructional Handbooks.

IN ORDER TO QUALIFY under this scheme, continuity is very desirable, and therefore you should attend, if possible, at least once a week for flying instruction. This, however, need not occasion you any great inconvenience as during the Summer Months flying instruction takes place until sunset seven days a week, so that you could attend here any evening after normal business hours.

ONCE YOU HAVE OBTAINED your Student Pilot's Licence and satisfied your Instructor that you are capable of cross-country flights, you will then be able to fly anywhere in the United Kingdom.

WHY NOT (a) Telephone now to **WEYHILL 352** and make your first appointment;
