

## WORKS FOR THE CR250R. WORKS FOR THE CR125R TOO.

The all new, head turning Honda CR125R has the look of a true champion. The innovative lightweight twin spar aluminium frame features dual box section twin spars strong enough to take on the toughest circuit, providing remarkable handling at racing speed.

We've modified the engine too, and given it a 5-speed gearbox for a more comfortable range of shifting ratios.

Exhaust valve size and shape have been changed for increased power output. New ignition timing and cylinder port timing give better high r.p.m. feel, whilst new flexible reed valve improves throttle response with better low to mid-range control.

Bolt that lot into a frame that's based on the current world champion CR250R and you've got a gutsy, unbeatable combination that'll have the competition eating dirt.

## The Shape of the Future... ...backed up by hard facts

**Fact:** Yamaha rider Alessio Chiodi blitzed the opposition to win the 1997 World 125cc Championship on his production-based Yamaha YZ125. **Fact:** Yamaha's radical new YZM400F 4-stroke won races at five 500cc Grand Prix in its debut season. **Fact:** Doug Henry made motocross history by taking his Yamaha YZM400F to the first ever Supercross win by a 4-stroke at Las Vegas in May. **Fact:** Yamaha motocross bikes won more Grand Prix races in 1997 than any other manufacturer. **Fact:** Yamaha is the only manufacturer to win races in all three Grand Prix categories – 125cc, 250cc and 500cc – in 1997.

You're looking at the beginning of a new era in the off road world.

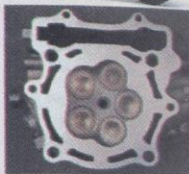

Equipped with a high-agility 250-sized chassis and pumping a super-wide band of 500-class torque, the awesome new 55 horsepower YZ400F 4-stroke is undoubtedly the shape of the future.

Running with uprated motors and modified chassis designs, the latest GP-developed YZ125 and YZ250 are ready to win at every level – while our YZ80 and YZ80LW get tough new high rigidity frames.

## AMCA riders do well.

The 250/750 IMBA team scored well in France on Sunday at the 5th round of the IMBA European Championships. Alex Hartley followed his 3rd overall at the Elsworth meeting two weeks ago with another 3rd at Wingles. Patrick Crump won the opening race leading from the start and was 6th in the 2nd but failed in the 3rd race which was the similar story for him at Elsworth. He took 4th overall while Andy Watkins scored a 4th, 7th and 11th to take 7th place. Richard Du'feu having his first ride abroad did well to take 12th place finishing 6th in the second race while Gary Parker despite machine problems was 2nd in the second race to finish 11th. Aaron Crowder also scored well with a 7th, 5th and 8th place.

Hartley is now 6th with Belgian riders leading with one round to go in Germany on 27th September.

## Future for Championships

Despite increasing the number of 4 Stroke rounds to 8 there was a poor turn out at the Boraston round on Sunday with about a dozen riders. Meanwhile the 750cc class next year looks uncertain as very few riders have contacted the Office to express an interest in the Qualifiers due to be held this season. In fact a decision will have to be made about the qualifying events for 1999 whether to postpone them to early next year.

## Superclass

There is a clash of dates with the first round at Rugby's event at Long Buckby now clashing with a 250/750 Nations Cup event the same day 4th October 1998.

## Team Events

Both the Inter Club and Inter Group team events are proving difficult to arrange due to clashes with other events including the Weymouth Beach race due on 25th October 1998.

## Extra Event 27th Sept

The Warley club are willing to organise a Motocross at Boraston if any riders are interested, it clashes with the Foxhills International but for those riders who prefer to ride rather than watch they will run, clubs have the details.

## Trials Modern

The Midland clubs have arranged the Winter Trials season fixtures which start on Sunday with the Wyre Forest club using the Boraston venue followed by the Brownhills club at Hartlebury on the 13th and the Moseley club Annual Welshpool trial which includes both open and closed circuit trials with Steve Goode the organiser. Ten Championship rounds are held starting on 4th October at Bewdly and only 1998 AMCA licence holders can score points in the Championship events.

## The AMCA Clubmen

The slip of the clutch, the click of the gears  
The vibrating scream of engines on our ears  
Sunlight on visors, rain on leather  
Scrambling through mud or dust, in all kinds of weathers

Hitting the berms, riding the bends,  
Arms, legs and back aching till the race ends,  
Maybe before the chequers some riders have found,  
Themselves and machine crashing to the ground.

Then the rush of helpers, the first aid crew,  
No one for a moment, knowing what to do,  
The rider moves, a grimace on his face,  
"Get my bike I must finish the race",

These men are gladiators on rubber and steel,  
Fighting for place, bar to bar, wheel to wheel,  
But in the paddock they've soon forgotten their hates,  
Covered in sweat, dust or slime they are still mates.

When the day is over each man counts the cost,  
No matter how weary, if they won or lost,  
Some may call them glory seekers or freak,  
But we all know, god willing they'll be back next week.

Robert Wellings 29.7.98
